

# Public Meeting

**NOTICE OF PUBLIC INFORMATION MEETING  
ARBOR HILLS SUPPLEMENTAL FIRE FLOW SUPPLY  
BOOSTER STATION NO. 118  
WATER UTILITY - CONFERENCE ROOM  
119 EAST OLIN AVENUE  
MONDAY JULY 19, 2010, 6:30 PM**

A Public Informational Meeting for the Booster Station No. 118 – Arbor Hills Supplemental Fire Flow Supply project has been scheduled for **6:30 p.m. on Monday July 19, 2010**, in the Water Utility Conference Room at 119 East Olin Avenue, Madison.

The main project objective is to improve water system reliability and fire fighting capacity to the area. Madison Water Utility is searching for a site to construct a booster pumping station to serve the Arbor Hills Neighborhood.

The focus of this public meeting is threefold:

1. Present information as to the objectives and general guidelines of the project and provide general information regarding the project.
2. To hear public concerns regarding the location of the booster station and develop pump station siting criteria within the project area.
3. Invite and encourage participation in the Citizen’s Advisory Panel (CAP).

All citizens in the area are invited to participate at the public meeting or provide written comment on the project to the Utility. There is also an opportunity to become a member of the CAP and work more closely with the Utility in development of this project. Additional information regarding the project is posted on the Utility website at [www.madisonwater.org](http://www.madisonwater.org). Contact Info: 608-266-4651 or [water@cityofmadison.com](mailto:water@cityofmadison.com) Citizen involvement makes this a better project.
