NOTICE OF PUBLIC INFORMATION MEETING

ARBOR HILLS SUPPLEMENTAL FIRE FLOW SUPPLY BOOSTER PUMPING STATION NO. 118

MADISON WATER UTILITY CONFERENCE ROOM
119 EAST OLIN AVENUE
TUESDAY SEPTEMBER 7, 2010, 6:00 PM

A Public Informational Meeting for Booster Pumping Station No. 118 – Arbor Hills Supplemental Fire Flow Supply project has been scheduled for **6:00 p.m. on Tuesday September 7, 2010**, in the Madison Water Utility Conference Room located at **119 East Olin Avenue**. The objective of the project is to improve the water system reliability and available fire fighting capacity to the area. Madison Water Utility is proceeding with siting of a booster station to serve the Arbor Hills Neighborhood. The focus of this public meeting is:

1. To present the site selection criteria.
2. To present site rankings for proposed pump station sites.
3. To obtain public concerns regarding the site rankings.
4. Gather information with which to develop a final site selection recommendation that will be presented to the Water Utility Board at their regular meeting September 29th.

All citizens in the area are invited to participate at the public meeting or provide written comment on the project to the Utility. There is also an opportunity to become a member of the Citizen's Advisory Panel and work more closely with the Utility in development of this project. Additional information regarding the project is posted on the Utility website at www.madisonwater.org. Please contact the Utility at 608-266-4651 or water@cityofmadison.com with questions. Citizen involvement will make this a better project.
