NOTICE OF PUBLIC INFORMATION MEETING

ARBOR HILLS SUPPLEMENTAL FIRE FLOW SUPPLY
BOOSTER PUMPING STATION NO. 118

**MEETING LOCATION: ALDO LEOPOLD ELEMENTARY SCHOOL
2602 POST ROAD**

SCHOOL CAFETERIA

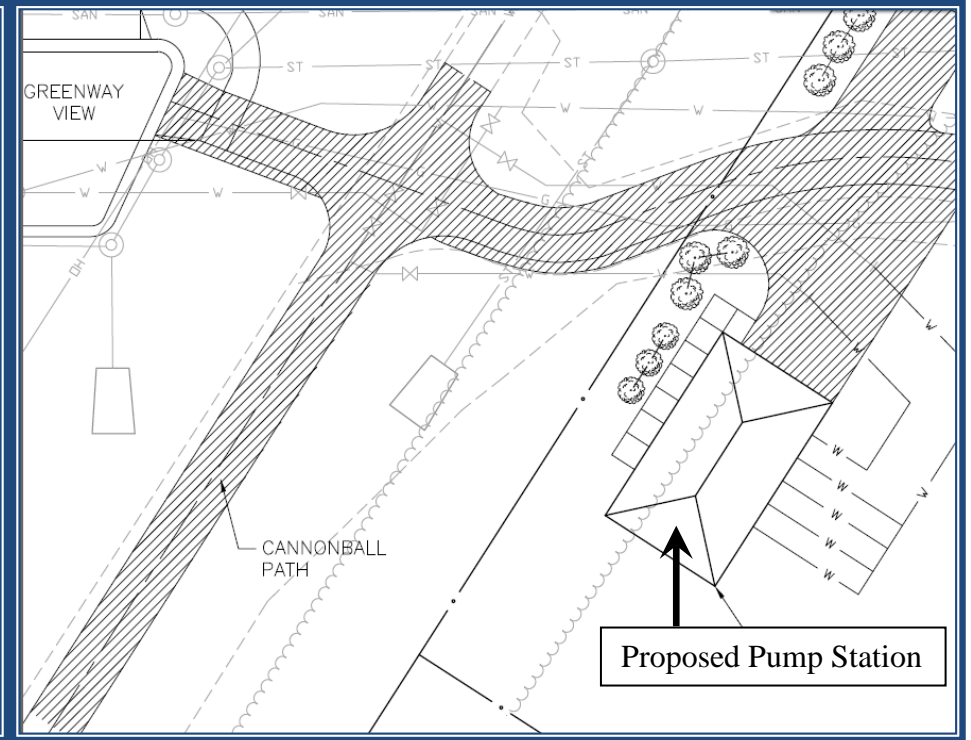

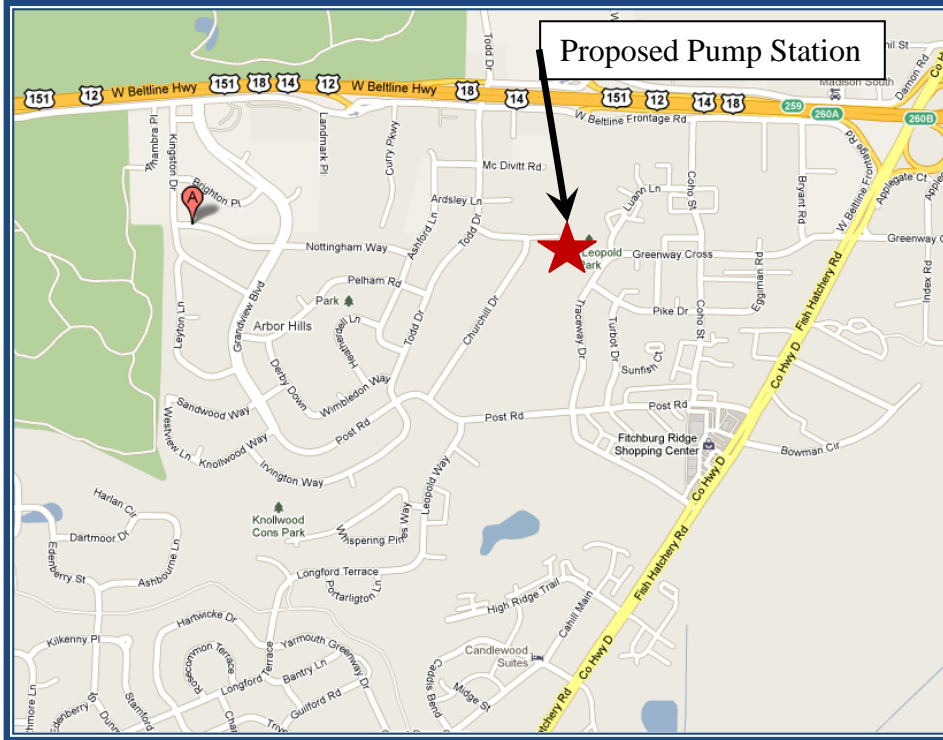

DATE AND TIME: THURSDAY NOVEMBER 11, 2010, 6:00 PM

A Public Informational Meeting for Booster Pumping Station No. 118 – Arbor Hills Supplemental Fire Flow Supply project has been scheduled for **6:00 p.m. on Thursday November 11, 2010**, in the Aldo Leopold Elementary School Cafeteria located at **2602 Post Road**. The objective of the pump station project is to improve the water system reliability and available fire fighting capacity to the area. Madison Water Utility has selected a site within Leopold Park as noted on the drawing on the reverse side of this announcement. The focus of this public meeting is:

1. To present preliminary site layouts.
2. To present preliminary building architectural concepts.
3. To obtain public feedback and concerns regarding this information.

All citizens in the area are invited to participate at the public meeting or provide written comment on the project to the Utility. Additional information regarding the project is posted on the Utility website at www.madisonwater.org. Please contact the Utility at 608-266-4651 or water@cityofmadison.com with questions. Citizen involvement will make this a better project.

See the back of this sheet for preliminary drawings and building sketches.

Proposed Arbor Hills Pump Station
