RE: **Name of Apprentice**
Operating Engineer Apprentice

Dear Employer:

Apprentice Name (XXX-XX-xxxx) has been transferred to your company effective as of 6/23/2010. You will be receiving a letter directly from the Bureau of Apprenticeship and Training confirming this letter.

Apprentice Name is a 3rd pay period apprentice and should be paid 80% of the Heavy and Highway rate of \$31.81 = \$25.45, plus fringes at the same scale as that paid to journeymen, except that the amount of the Central Pension shall be at the 3rd pay period apprentice rate of \$4.05 per hour. If the apprentice works under a different contract he/she should be paid at the appropriate rate.

Thank you for your participation in the program.

Sincerely,

Daniel Sperberg
Training Director
DS/In/cn/pe OPEIU#9
