**Subject:** New Subcontractor List Requirement

Hi Art,

We announced at our semi-annual Engineers, Contractors, and Developers meeting that going forward we need the full legal name of any subcontractor on the subcontractor list. From this information we confirm that each company is able to legally work in Wisconsin.

This requirement came from our Attorney's Office and we are instituting it in 2020.

We don't have much space on our form, so perhaps a second page in the future would be a solution.

In the meantime, for contract 8490, can you please confirm that this is the legal name of the subcontractor on your subcontractor list?

- J.R.'s Construction and Landscaping, Inc.

Regards,  
Alane
