BIDS TO BE SUBMITTED by hand to 1600 EMIL ST., MADISON, WI 53713 or online at www.bidexpress.com.

THE BID OPENING is at 1600 EMIL ST., MADISON, WI 53713.

STANDARD SPECIFICATIONS

The City of Madison's Standard Specifications for Public Works Construction - 2019 Edition, as supplemented and amended from time to time, forms a part of these contract documents as if attached hereto.

These standard specifications are available on the City of Madison Public Works website, www.cityofmadison.com/Business/PW/specs.cfm.

The Contractor shall review these Specifications prior to preparation of proposals for the work to be done under this contract, with specific attention to Article 102, "BIDDING REQUIREMENTS AND CONDITIONS" and Article 103, "AWARD AND EXECUTION OF THE CONTRACT." For the convenience of the bidder, below are highlights of three subsections of the specifications.

SECTION 102.1: PRE-QUALIFICATION OF BIDDERS

In accordance with Wisconsin State Statutes 66.0901 (2) and (3), all bidders must submit to the Board of Public Works proof of responsibility on forms furnished by the City. The City requires that all bidders be qualified on a biennial basis.

Bidders must present satisfactory evidence that they have been regularly engaged in the type of work specified herein and they are fully prepared with necessary capital, materials, machinery and supervisory personnel to conduct the work to be contracted for to the satisfaction of the City. All bidders must be pre-qualified by the Board of Public Works for the type of construction on which they are bidding prior to the opening of the bid.

**REMOVE:
SECTION 109.2**

REPLACE SECTION 109.2 WITH THE FOLLOWING:

SECTION 109.2 PROSECUTION OF WORK

The Contractor shall begin work on **JULY 29, 2019**. All work shall be completed on or prior to **May 31, 2020**.

Work shall begin only after the start work letter is received. If it is desirable to begin work before or after the above-mentioned date, the Contractor shall establish a mutually acceptable date with the City Engineer, and the agreed upon date must be determined prior to the preconstruction meeting.

The Contractor shall limit workdays to 7:00 a.m. to 5:00 p.m. Monday through Friday within Elver Park, with no weekend work in the park, unless approved by the Engineer in writing.

This project includes interim completion dates at two locations within the project limits. All work necessary to restore north bound traffic on McKenna Blvd. at Gammon Ln. shall be completed on or prior to **October 18, 2019**, or a date mutually agreed to by the Engineer. Restoring north bound traffic shall entail opening all northbound lanes

and providing access to the pullout on the north side of McKenna Blvd.

Several intersections within the project limits have a limited closure timeframe. Refer to the Maintenance of Traffic specifications for additional information on changes to traffic patterns.

All concrete work in the greenway channel and box culvert work in Elver Park must be completed by **December 31, 2019** or a date mutually agreed upon by the City and the Contractor.

Any work that is not completed prior to the end of the year shall be left overwinter in a condition approved by the Engineer. All areas must be stabilized and channel and stormwater flow shall not be impeded.

Any remaining paving or restoration work shall be completed no later than **May 31, 2020**.

Work shall begin only after the start work letter is received.

Please acknowledge this addendum on page E1 of the contract documents and/or in Section E: Bidder's Acknowledgement on Bid Express.

Electronic version of these documents can be found on the Bid Express web site at:

<http://www.bidexpress.com>

If you are unable to download plan revisions associated with the addendum, please contact the Engineering office at 608-266-4751 receive the material by another route.
