1.3. Project Background

Hawks Landing is a residential development located on the southwest side of Madison, Wisconsin (Figure 1). Construction of the development began in 2001. The development includes approximately 300 homes and an 18-hole golf course, the Hawks Landing Golf Club.

Hawks Landing has six (6) stormwater control ponds, all located within the golf course. Three of these ponds (LBMC North, LBMC SW, and LBMC East Ponds) are located on the west side of the course and drain to Lower Badger Mill Creek (LBMC), and three (UBMC North, UBMC SE, and UBMC SW Ponds) are located on the east side and drain to Upper Badger Mill Creek (LBMC). The west side of the development, as shown in Figure 2A, experiences drainage problems during large storm events. Lots 169, 170, and 250 experience flooding during events, with the highest water levels and highest flows occurring on Lot 170. Attachment A includes photographs of Lot 170 (1809 Hidden Hill Dr, Madison, WI) taken immediately following the September 4, 2014 storm event, and immediately following the July 21, 2016 event. Attachment B includes videos of flooding on the same site taken during the July 21, 2016

storm event.

1.3. Summary of Services Required

The City of Madison is requesting proposals for hydrologic review, site investigation, and design of solutions for stormwater ponds in the Hawks Landing development in Madison, Wisconsin.

1.3.1. Survey of LBMC and UBMC Hawks Landing Stormwater Detention Ponds

This task involves the survey of six (6) detention ponds on the Hawks Landing Golf Course: LBMC North, LBMC SW, LBMC East, UBMC North, UBMC SE, and UBMC SW Ponds. Survey boundaries and scope of services are included in Attachment C. Survey will include both land survey of the area above the water level as well as bathymetric survey of each pond. The City will arrange for the Consultant's access to the golf course for survey. The survey results are to be provided to the city in the NAD_1983_HARN_WISCRS_Dane_County_Feet coordinate system in a format suitable for Microstation use.

1.3.2. Review of Site Hydrology Report

This task involves the review of the original hydrology report for Hawks Landing, submitted to the City by Arnold and O'Sheridan Inc. on April 17, 2000 (Attachment D). After review of the report, the Consultant shall provide comment, addressing whether the stormwater detention system described in the report met the regulatory standards in place at the time. Following this initial review and comment, the Consultant shall review survey of the LBMC ponds, collected as per Section 1.3.1 of this RFP, and compare surveyed pond geometry to the geometry described in the original report. The Consultant shall comment on the implementation of the planned geometry as described in the original hydrology report, and summarize any deviations in the existing ponds from the original pond plans.

1.3.3. Completion of New Hydrology Report for LBMC Ponds

The Consultant shall develop pre- and post-development hydrologic and water quality models and report for the three ponds (LBMC North, LBMC SW, and LBMC East Ponds) in Hawks Landing that drain to LBMC. Pre- and post-development conditions will be modeled. Pre-develop conditions shall be obtained from the original stormwater report, included as Attachment C to this RFP. The post-development conditions model shall be developed using pond survey collected under Section 1.3.1 of this RFP and topographic and land use information provided by the City with this RFP.

The report shall follow the format outlined in the City of Madison Ordinances, Chapter 37, Section 09. At the time of this development the stormwater requirements included 1, 2, 10 and 100-year detention and 80% TSS control. Infiltration and thermal control were not required. Any Ordinance requirements not met by the Hawks Landing west stormwater system as constructed shall be clearly identified in the report.

The Consultant shall submit the report, as well as digital copies of all models created, to the City as deliverables for this task.

1.3.4. Piezometric Study Design

The Consultant shall design a piezometric study to map groundwater levels near the LBMC SW pond and Lots 169, 170 and 250. The Consultant shall determine placement of five (5) monitoring wells, and shall submit recommended coordinates and depths for these wells to the City.

1.3.5. Alternatives Analysis of Potential Solutions

The Alternatives Analysis shall be dependent on the results of the new hydrology report for the LBMC ponds (Section 1.3.3) and the piezometric study (Section 1.3.4). Under this task, the Consultant shall present several design alternatives (in report form) to address problems identified in the hydrology

report, and to protect Lot 170 from flooding during a 100-year storm event. Possible alternatives include (but are not limited to) an increase in water storage on the golf course, re-design of the hydraulics between ponds, structural changes to the affected properties, and/or re-design of the storm sewer downstream of the pond discharge. For each alternative, the consultant shall include:

1. Description of proposed alternative
2. Engineering feasibility assessment
3. Cost estimate (including capital and maintenance costs)

1.3. Communication and Inquiries

Direct all questions and inquiries to:

Lauren Striegl
City of Madison, Engineering Division
210 Martin Luther King Jr. Blvd., Room 115
Madison, WI 53703
Tel: 608-266-4094
Fax: 608-264-9275
Email: lstriegl@cityofmadison.com

1.4. Evaluation of Proposals

Proposals will be reviewed by a Selection Committee chosen by the City Engineer. Proposals will be ranked separately based on qualifications (Section 3.2, questions 1-7) and by costs.

Madison has a local preference purchasing policy that grants a 5% scoring preference for firms based in Dane County. Proposers seeking to obtain local preference must register online prior to the proposal due date at:

<http://www.ci.madison.wi.us/business/localPurchasing/index.cfm>

Qualification factors will be weighted as shown.

Company Capability	10%
Project Team	20%
Similar Projects by Project Engineer	45%
Design Approach	20%
Local Preference	<u>5%</u>
Total	100%

The Selection Committee will review and rank cost proposals separately. It will select the proposal which best combines the necessary qualifications with value for expenditure of public funds. The Committee will recommend to the Common Council who will approve the selection.

1.5. Disclosure of Contract Failures/Litigations

Prior to selection the City may request that one or more proposers disclose any significant prior or current contract failures, contract breaches or civil or criminal litigations pending within the last three (3) years which involve your firm.

1.6 . Willingness to Execute City Purchase of Services Contract

Firms proposing will be assumed to be willing to execute the standard City of Madison Contract for Purchase of Services. A sample contract is attached to this RFP. Any exceptions to this should be stated in the Proposal.

1. General. Throughout this document, "City of Madison," "City" and "Purchasing" shall be synonymous and mean the City of Madison. The words "bid" and "proposal" are synonymous, as are the words "bidder," "proposer" and "contractor." The phrases "request for proposal," "invitation for bids," "request," "invitation," and "solicitation" shall also be synonymous.

As applied to the winning or selected bidder, the words "bid," "proposal," and "contract" are synonymous.

2. Entire Agreement, Order of Precedence. These standard terms and conditions shall apply to any Purchase Order issued as a result of this Request for Bid/Proposal, except where expressly stated otherwise in the RFP or in a written instrument covering this purchase signed by an authorized representative of the City and the Contractor, in a form approved by the City Attorney (a "Separate Contract"). If such a separate contract is executed it shall constitute the entire agreement and no other terms and conditions, whether oral or written, shall be effective or binding unless expressly agreed to in writing by the City.

If a Separate Contract is not executed, these Standard Terms and Conditions, the City's request for proposals, the version of the vendor's bid that was accepted by the City, and the City's Purchase Order (if any) shall constitute a contract and will be the entire agreement.

Order of Precedence: If there is a conflict between this Section A and any terms in the vendor's accepted bid or proposal, this Section A shall control unless the parties expressly agree to another order of precedence, in writing. If there is a conflict between this Section A and a Separate Contract, the terms and conditions of the Separate Contract shall control.

I. TERMS FOR SUBMISSION OF BIDS: The following section applies to the bid/selection process only.

3. This invitation for bids does not commit the City to award a contract, pay any costs incurred in preparation of bids, or to procure or contract for services or equipment. The City may require the bidder to participate in negotiation and to submit such additional price or technical or other revisions to his or her bids as may result from negotiation. The bidder shall be responsible for all costs incurred as part of his or her participation in the pre-award process.

The City reserves the right to accept or reject any or all bids submitted, in whole or in part, and to waive any informalities or technicalities which at the City's discretion are determined to be in the best interests of the City. Further, the City makes no representations that a contract will be awarded to any offeror responding to this request. The City expressly reserves the right to reject any and all bids responding to this invitation without indicating any reasons for such rejections(s).

The City reserves the right to postpone due dates and openings for its own convenience and to withdraw this solicitation at any time without prior notice.

4. Addenda. Changes affecting the specifications will be made by addenda. Changes may include, or result in, a postponement in the bid due date. Bidders are required to complete the Bidder Response Sheet, acknowledging receipt of all parts of the bid, including all addenda.

5. Price Proposal. All bidders are required to identify the proposed manufacturer and model, and to indicate the proposed delivery time on the attached Proposal Form. Failure to do so may cause the bid to be considered not responsive. If desired, the bidder may include product literature and specifications. The price quoted will remain firm throughout each contract period. Any price increase proposed shall be submitted sixty (60) calendar days prior to subsequent contract periods and shall be limited to fully documented cost increases to the bidder which are demonstrated to be industry-wide.

6. Price Inclusion. The price quoted in any bid shall include all items of labor, materials, tools, equipment, and other costs necessary to fully complete the furnishing and delivery of equipment or services pursuant to the specifications attached thereof. Any items omitted from the specifications which are clearly necessary for the completion of the project shall be considered a portion of the specifications although not directly specified or called for in these specifications.

7. Pricing and Discount.

- a. Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea., etc.) as stated on the bid/proposal or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price. If an apparent mistake exists in the extended price, the unit price shall govern in the bid/proposal evaluation and contract administration.
- b. In determination of award, discounts for early payment will only be considered when all other conditions are equal. Early payment is defined as payment within fifteen (15) days providing the discount terms are deemed favorable. All payment terms must allow the option of Net 30.

8. F.O.B. Destination Freight Prepaid. Bid prices must include all handling, transportation and insurance charges. Failure to bid FOB Destination Freight Prepaid may disqualify your bid.

9. Award.
