The Urban League of Greater Madison Young Professionals and the Madison Common Council are hosting the "Old Problems, Young Solutions" event on Saturday, April 18, 10 AM – 12:30 PM, in Room 215 of the Madison Municipal Building. This is a unique chance for Madison's youth to connect directly with Council members and dive into the world of local governance.

Alders Regina Vidaver of District 5, Alder Joann Pritchett of District 9, Alder Sabrina Madison of District 17, and Alder John P. Guequierre will participate in an interactive panel that offers a unique opportunity to learn about how the Common Council operates while engaging directly with local alderpersons. Attendees will gain insight into local government processes and build meaningful connections with their community leaders. Alders have been invited to attend and a possible quorum of the Common Council may exist at this event.
