Madison is famous for great shopping, amazing food and a talented arts scene, and the Madison Night Market – held on Thursday, June 12, at 5:00 PM on State Street – brings the urban experience together in celebration. Vendors mix with existing State Street retailers to showcase handmade products, local art, artisan gifts, artisanal foods, and fresh produce. The event includes live music, special visiting food carts, and pop-up restaurant experiences. The Common Council will have a resource table at this week's Madison Night Market. Members of the Common Council have been invited and a possible quorum of the Common Council may exist at this event.
