The City of Madison Common Council is setting up a non-sales information booth at the Madison Night Market: Thursday, September 17, @ 5 – 9 pm. This event is located downtown Madison, spanning State Street, North Carroll Street and West Mifflin Street on the Capitol Square, and a portion of West Gilman Street. The goal of this resource table is to raise awareness about city government, as the decisions made significantly impact our communities, and provide an opportunity for alders to engage directly with residents. Alders have been invited to attend, and a possible quorum of the Common Council may exist at this event.
