- Presentation & Action: Madison/Dane CoC Collaborative Application – Torrie Kopp Mueller
 - **Proposal:** Approve Madison/Dane CoC Collaborative Application, as presented with addition of additional answers to unfinished questions.
 - **Yes:** 8
 - **No:** 0
 - **Background:** HUD requires the public posting of the Collaborative Application before the submission deadline. With the extremely truncated timeline of the NOFO being only 12 days, Torrie and Mark have not fully completed the application. They would post the application as is but continue to work on it in time for the deadline.
 - **Discussion:** Torrie went over the highlights of the Collaborative Application and the work she has done to complete the application. She also summarized an issue with DV Bonus and DV Reallocation funds that the CoC was trying to resolve.
