

INSPIRE Job-Shadowing Opportunities

Inspiring Student Professionals in Residence (INSPIRE) is hosted by the City of Madison, Disability Rights and Services Program and Department Human Resources in honor of National Disability Employment Awareness Month. We hope to inspire young people to work in public service and to foster diversity in the City's workforce. High school, college, and technical school students with disabilities who are seeking job-shadowing experience with the City of Madison are encouraged to apply.

You will have the opportunity to explore future employment opportunities by shadowing City staff on the job for the day. Learn about different jobs by observing one or more positions at the worksite.

- Gain On-the-Job experience
- Explore career goals and areas of Interest
- Attend a Job Application and Interviewing Workshop
- Learn self-advocacy tips for applicants and employees with disabilities
- Network with City staff
- Obtain a City of Madison **INSPIRE** Certificate

INSPIRE positions will be selected by students September 30 - October 4, 2024

[Apply](#) to reserve your spot today.
