## *Overview*

The City of Madison's Planning Division is hosting a meeting to discuss the planning vision for the Yahara River Corridor and environs. Seven plans in the last 19 years have made recommendations for the Yahara River Parkway and adjacent properties. The purpose of this meeting will be to review these plans and explore implementation strategies. The implementation of these recommendations will require a finer degree of planning and design. This meeting is intended to be a first step in that process.
