The City of Madison is preparing a neighborhood development plan for lands on Madison's southeast side. The planning area boundary is shown on the map below.

The City requires that a neighborhood development plan, which will be used to guide future development in the area, be in place before formally reviewing development proposals. The plan will include detailed recommendations regarding land use, the transportation network and extension of public utilities and services.

The City Planning Division will present a draft of the plan to local residents and property owners at a public meeting scheduled for:

Tuesday, July 26, 2016
7:00 p.m.
Door Creek Church – Room 108
6602 Dominion Drive
Madison, Wisconsin 53718

The meeting will include a brief staff presentation on the draft plan, focusing on land use, transportation and open space. The primary purpose of the meeting, however, is to provide an opportunity for property owners to ask questions and provide comments on planning issues affecting this area.
