Due to a delay in construction, we would like to apply for an extension. What forms would we need to fill out?

Thank you,

Good morning,

As you know, on 11/7/2023, the Common Council granted an alcohol license to you for 668 State St for The Guild Esports LLC. Per Madison General Ordinance 38.05, a license must be issued 180 days after the Common Council has granted it or it shall be considered surrendered. This license must be issued by 6/7/2024 or it will face cancelation. The following items must be completed and/or submitted to the City Clerk's Office before we can issue your license:

- **Building Inspection**—It is your responsibility to schedule this inspection by calling Building Inspection at (608) 266-4551.
- **Fire Inspection** —It is your responsibility to schedule this inspection by calling the Fire Department at (608) 266-4484.
- You will need to call **Zoning** at (608) 266-4551 to discuss the zoning regulations that would affect your establishment.
- **Licensing Fees** must be submitted to the City Clerk's Office. The liquor license

fees will be prorated for the remainder of the licensing year, and "Class B" Combination Liquor and Beer licenses issued may incur a ***\$10,000 reserve fee***.
Checks should be made payable to City Treasurer.

If your license is not issued by 6/7/2024, it will be considered cancelled and you must reapply for an alcohol license if you still wish to pursue one. You may also request an extension of this deadline from the Common Council. The last opportunity to request an extension of this deadline will be to submit a request for an extension by noon on Monday, 5/13/2024. This extension would go before the Alcohol License Review Committee for a recommendation to the Common Council's June meeting. If you have any questions, do not hesitate to ask.

Hi Jim,

Sue from Sotto and Cielo, 118 State Street here. I haven't picked up my liquor license yet, but intend to, because I am waiting to close on the purchase of the building at 118 State St and then get the inspections noted in your email.

Presently I am seeking insurance for the building and business and an insurer is asking for the liquor license number. Is there a license number assigned to 118 State Street or is the answer that I don't have a number yet?

Thank you!

Hello sir/mam

my name is Preet. I am owner of Rocky's Liquor on 2734 E. Washington Ave.

Refuel Pantry Inc dba Refuel Pantry is applying for a new Class A Beer, Class A Liquor, Class A Cider license at 2702 E Washington Ave.

This business is next to my liquor store. I don't think that city should approve this brand new license for various reasons. Some of them are.

* This Business is next to two liquor stores. Rocky's Liquor is just next to it and Trixies Liquor is a block away from here.

* This business is across from a public library no new liquor licenses should be given in this area unless it is a sale of business and an existing liquor license to the new owner.

* Considering the area of this address and as a liquor store owner in this area, I myself is going through a lot of issues because it is a hot spot for homeless people to hang out. We always see people passed out with overdose of drugs. We are our self facing a lot of problems with shoplifting every week every week you can check with the police. There is a lot of panhandling that goes outside every business here.

* When there is already two full fledged liquor stores in the area, there should not be another facility.

* I'm not sure if you seen my store building. I remodeled my store completely after I bought it three years ago from sign, from parking lot painting the building, and everything is a huge difference from when it was Bottle stop and when it's Rocky's now. But I keep getting graffiti on my building.

I would really appreciate if you would not mention my name and my business where this is coming from . I wanna stay anonymous.

Here are some of the pictures that I posted on the wall of shame at my store of shoplifters and pictures change every month .

LeBrun Comments

- **Intro:**
 - I watched the April 17th hearing after-the-fact, because I received notification card on the day of the hearing.
 - I am aware that he is trying to get many licenses for many locations, and only hope that the other locations aren't in constant violation of community standards as the two East Wash locations
 - license is detrimental to community's welfare, and they should show progress before being granted license
- **Fence disrepair and property misalignment**
 - According to DCI Maps, fence is misaligned and partially on my property
 - fence is falling down, and creating a hole where people have been hanging out and dumping trash
- **Environmental Hazards and Public Nuisance**
 - Grease disposal
 - Mysterious broken pipe
 - Piles of alcohol containers already on property
 - Rats
 - Trash. I pick up trash for 15-20 minutes several times a week, have found dozens of small drug bags and hypodermic needles
 - 12 55-gallon barrels
- **Safety and Criminal Activity**
 - criminal activity happening on property
 - constant screaming matches and physical altercations happening on a daily basis
 - constant police activity happening at the strip mall/fast food restaurants across the street
 - have put up plywood against entrance door to avoid activity inside to be seen
- **Ongoing Regulatory Violations**
 - They currently have cases open with the city building inspector
 - Abbie Kurtz, Property Maintenance Inspector
 - akurtz@cityofmadison.com, 608.266.4550
 - Case currently open with Public Health of Dane County
 - Reference number: HLTCOD-2024-00200
 - Alexia Salazar
 - LEAdmin@publichealthmdc.com, 608.243.0488
- **Saturation of Liquor Licenses**
 - 2 liquor stores within 2 blocks, one directly across the street
 - Minocqua Brewing Company opening across street
- **Other East Wash location is just as bad**
- **Conclusion**
 - I am aware the new owner has said they will "clean up the property" but have seen no movement towards this, and do not see why we should be inviting more trash and illicit activity until they show movement towards the goal of cleaning up the property

Hello,

My name is Melissa. I live on the corner of Kedzie and East Lawn Court. My kitchen and bedroom windows look out on the gas station and food business at 2702 East Washington Ave.

I'm also a daily dog walker, which gives me plenty of opportunities to observe activities in our neighborhood.

I've lived on the Near East side for 30 years, 8 years at my current address. I could not attend the licensing committee meeting due to last-minute notice by the city.

I am deeply, gravely concerned about the property at 2702 East Washington as it is currently run, with no alcohol sales.

Madison Municipal Code Violations with the property in question include:

Chapter 25.09 - Chronic Nuisance Premises

Chapter 26.01 - Public Indecency

Chapter 27.05 - Safe and Sanitary Maintenance of Property

The decision to grant a liquor license will only exacerbate existing unresolved problems.

This property itself is mismanaged and left to deteriorate. In spite of repeated complaints from the health department, the owners ignore litter and debris on the property. This is

unsightly, attracts vermin, and poses a health hazard to the community. Despite efforts to address the problem, the situation has not improved for years. The addition of an alcohol license will only exacerbate these issues.

Along with the usual food wrappers and napkins, I routinely find empty “pocket shot” bottles, condoms, and needles. Lately we’ve added latex gloves and baby wipes and an empty fridge to the debris (see pics).

Words do not do justice to the amount of actual filth sitting in the parking lot daily for years. Their dumpsters are not maintained at all, and piles of litter, including food waste, are left on the ground for months at a time. To my knowledge, their grease bin has never been cleaned (see pic). I cannot have a birdfeeder or compost at my house because of rats that make their living at 2702 East Washington.

Their fences are broken, and random pieces of broken concrete have piled up. Not one dollar or one minute of effort has been put into maintaining or securing this property. I have never seen an employee or owner clean up any debris. That’s an extreme statement, I know, but it’s true.

There is zero security in the parking lot, and drug deals happen there daily. I routinely hear shouting matches and scuffles, especially after dark (which is 4:30 here in the winter). Owners have made no discernible effort to keep customers and the public safe.

I will walk 5 blocks out of my way to avoid this parking lot. it is simply not safe.

Let’s also talk about saturation. We have two liquor stores within .1 mile of this gas station (Rocky’s at 2734 East Washington and Trixie’s at 2929 East Washington). There is zero need for another liquor store on this block. Since changing owners last year, Rocky’s has added lights and security cameras and dramatically cleaned up its parking lot. I am not opposed to liquor stores in general.

Council, I urge you to take this matter seriously and deny the license for this location. Adding alcohol sales to a business already fostering drug sales prostitution and vermin is just not a good idea. Please deny this license.

To whom it may concern,

I am writing to share the business plan for Stop N Shop at 312 E Mifflin St. It is a small neighborhood convenience store that carries groceries, beer, wine, and tobacco. I would like to continue running the business as it is but with a few improvements. Customers have been requesting liquor at this location for a while and I would like to provide that option at my business. I would like to keep the liquor behind the counter, which is mentioned on the floor plan. There is a lot of foot traffic in this area and there are no liquor stores nearby. The anticipated opening date is 4-29-24. If this liquor license is approved, I will be getting a five year lease which is mentioned in the LOI included with the rest of the documents. I really appreciate your consideration in this decision, thank you for your time.

Sincerely,

A handwritten signature in cursive script that reads "Rupinder Saini". The signature is written in dark ink and is positioned above the printed name.

Overall Business Case for opening a Taproom Location

Opening the taproom provides the best opportunity to increase high-profit revenue that Lone Girl has seen, to date. The location along a busy corridor in Madison (1801 E Washington Avenue), surrounded by a younger, more populous demographic, presents a great opportunity to sell beer, wine, liquor and pizza in a casual environment. This idea is in line with a larger industry trend toward a fast casual model in lieu of full-service restaurants due to the simplicity of operations and increased margins when compared to the full-service approach.

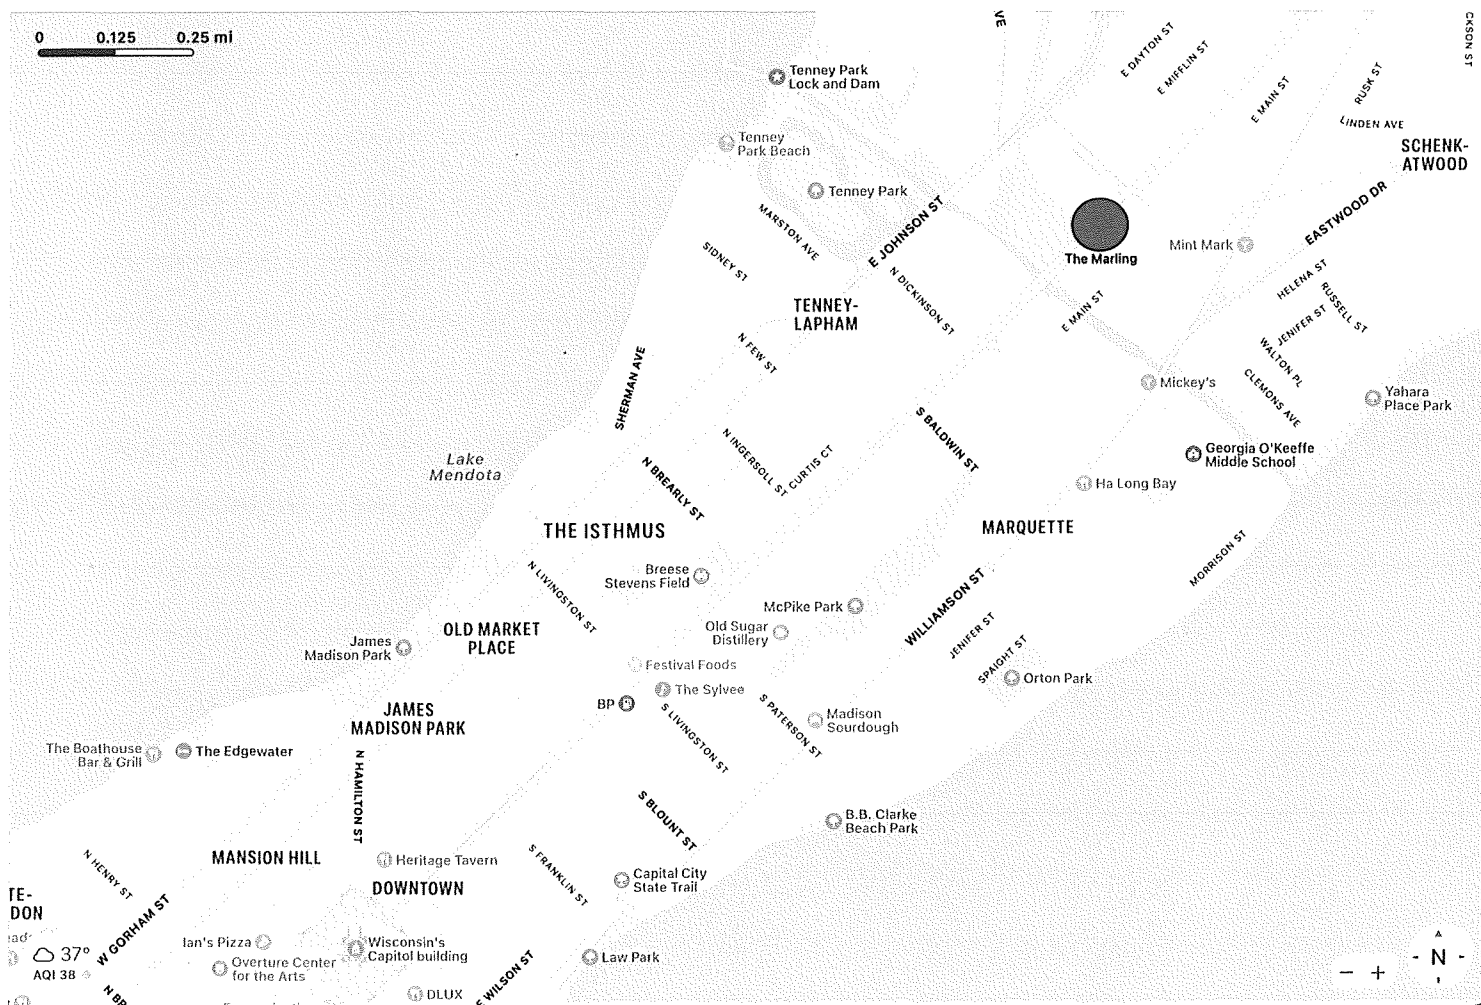

The specific location we have identified provides another major advantage, it was previously occupied by a taproom tenant. Leveraging a 2nd generation space greatly reduces the required initial capital investment to open. We will further take advantage of the opportunity by operating with a simplified model that will greatly reduce operational cost, while simultaneously leveraging high margin products and the existing management structure for Lone Girl. This results in diversification of your investment supported by a more efficient and profitable operating model.

Assuming we proceed with this project early November, 2023 we would have a projected opening in the Spring of 2024.

Location

1801 E Washington Avenue in Madison, WI is located in a mixed-use development that includes additional commercial tenants and 180 residential units. The area is approximately 1.8 miles from the capital building and is quickly developing with more residential and commercial units on the way. There is a newly completed mixed-use development across the street that includes an additional 250 residential units.

The location provides a convenient stop when traveling to and from: the Capital Square/Downtown area, entertainment and concert venues such as Breese Stevens Field and The Sylvee, the upcoming Madison Public Market, and a public park across the street along with attached and adjacent residential units. The location is also only 20 minutes from our existing location so we will be able to efficiently manage and support the new location.

View from street looking South

View from street looking East

Demographics

The target demographic of the location will be younger professionals, between 24-45 years old, both male and female, with disposable income looking for a convenient and casual quality experience. While families will be part of the consumer base, this will not be the main focus of the concept. This will allow the brand to tap into a different demographic than the current location and further diversify your investment.

2nd Generation Space

The existing space fits both our brand aesthetic and our physical needs from a layout perspective rather well, presenting us with a great opportunity. The advantage of a 2nd generation space such as this is the ability to utilize the existing mechanical, electrical and plumbing infrastructure along with existing improvements such as the walk in cooler, draft system, bar and bathrooms without paying for them, or paying pennies on the dollar. This combined with minimal aesthetic upgrades and the utilization of automated, ventless cooking equipment, allows us to significantly reduce the capital required to open and operate.

Concept

The concept will be a small footprint format centered on Beer, Wine, Liquor and Pizza. All high margin product that require minimal labor and expertise. The concept will be a casual atmosphere supported mainly by a self-service model. We will target a younger demographic than our current location and will brand under the Lone Girl umbrella. Leveraging a Fast Casual service model combined with the food quality of a full-service restaurant, the concept will provide our customers with convenience and quality while producing profitable revenue.

Food and Beverage Offerings

We will have a very focused menu, centered around quality roman-style pizza, unique to the market, and Lone Girl Beer. Supporting menu items will include simple snacks, salad, breadsticks and additional adult beverages. All high margin, low labor cost products. We will also offer optionality for the consumer with items such as pizza by the slice and beer to go. All food items will be cooked in automated ventless equipment that will produce consistent quality product and future optionality in our offerings.

IE Double Batc

Marketing Strategy

Having a second location will create greater exposure for the Lone Girl brand and generate a broader customer base for our existing location. Co-marketing the 2 locations will create more cost effective customer acquisitions cost (CAC) and cross selling of both locations.

Simplified Operating and Service Model

Leveraging the learnings from our current location, and the challenges we face, we are very excited about the opportunity this smaller footprint provides. By creating a more casual atmosphere targeting a different demographic than our existing location, we will be able to greatly simplify the operations when compared to our current model, by embracing a largely self-service approach.

A thoughtful, focused menu and advancements in cooking and ingredient technologies (i.e. automated ventless ovens), will allow us to greatly reduce the amount of skilled labor needed to service our customers. The operation will require significantly less labor, even at peak times. This will be further enhanced by utilizing the additional brewing capacity at our existing location, as originally planned, to produce our beer for sale at the new taproom.

Business is located cross corner from Camp Randall. I have been in business for coming up on 2.5 years. I have had customers come in and ask if we serve beer, then leave.

I want to be able to provide the option for customers to enjoy a beer or wine while they eat some great food. I believe that it will be beneficial to the business financially and provide more jobs in the community. As a small business in the restaurant industry close to campus, college area, there are very slow times and hard times. Having another option that would compliment the food we serve could be helpful.

All employees will be required to be certified to serve alcoholic beverages safely. We want to provide a safe and enjoyable environment and experience.

Dear ALRC (copy Alder Evers D13 and Owner, Don Woods):

The Vilas Neighborhood Association (VNA) supports granting the alcohol license for Stadium Take Out (5/15/24 Agenda Item #49; Legistar #89197). The VNA Council passed the following resolution with a vote of 4 in favor, none opposed, and 1 abstention:

The Vilas Neighborhood Association (VNA) supports the ALRC approving the liquor license for Stadium Take-Out as applied (5/15/24 Agenda Item #49; Legistar #83197). The owner, Don Woods, and the registered agent, Desere Woods, held a public meeting on April 19 and no concerns were raised. This is an established business with a good track record and a responsible owner who also runs another neighborhood business.

In the April 19 meeting, the owner also expressed the potential to open more days per week and possibly earlier on football Saturdays in the future. While these are not in the written application, no concerns were raised by attendees about these changes, should they be requested verbally at the ALRC meeting or in future license updates.

Regards,
-Doug Carlson, VNA President

NerdHaven Arcade Beer Wine Proposal

We are NerdHaven Arcade. We are a small business that has been open for the past 4 ye

We are writing this document to request approval to sell beer and wine. This opportunity to serve beer and wine would be another form of income for our arcade. The approval would also allow our arcade to grow in many different ways, such as:

- 1) Hire more staff
- 2) Financial Stability
- 3) Invest in the business

Our Plan::

We plan to dedicate one day out of our work week to be able to sell Beer and Wine. Currently our Wedsdays and Thursdays are in need of a financial boost.

Hire More Staff

Currently, NerdHaven Arcade is operated by only two individuals working about 16 hour days. Bringing in more staff would allow the owners to free up there time to focus on other aspects of the business

Financial Stability

Having another source of income would be a big relief to us. This whole operation has been on the shoulders of the owners from day one.

Invest in the Business

The secret to operating an arcade uptime of games & repairs, new titles, customer service.

Uptime and Repairs

Currently, NerdHaven Arcade has only one technician keeping all the games in our collection running. That is 192 games total to make sure they stay operational. If we would be able to hire another tech or two to oversee repairs in the arcade, not only would we be able to

PS I missed the opportunity to communicate with the Alcohol License Review Committee last night because the notice of public hearing mailing was not delivered here until yesterday, Wednesday, April 17, 2024.
Sent from my iPad

I am a resident of Davidson Street, just behind Lake Edge Shopping Center and Nerdhaven Arcade. I oppose the granting of the new beer license for 203 Cottage Grove Rd.

My concern is the alley that runs behind the shopping center and faces several of the apartments on Davidson St. Many people walk through the alley to view the mural art there, including families, dog walkers, those taking photos using the art as a backdrop, and more. In the past nighttime drinkers have littered the ally with bottles, cans, cigarette packs, and all manner of trash. Privacy and security were a concern. At this point it has been pretty good for a while and we would not like it to begin again with cans and trash and nighttime drinking from Arcade drinkers. The alley is quiet, but frequent beer delivery will increase noise and litter. What is their plan for ID checks, noise and to keep drinking and drinkers on their premises? Are Arcade owners new to running a bar altogether? Nearby Jade Monkey has a good, proactive owner and there have been few problems. Hawk has been active in building neighborhood relationships and is sensitive to neighborhood concerns. Have Arcade owners built relationships with the neighborhood? Attended neighborhood association meetings to introduce themselves?

I oppose the granting of the new beer license for Nerdhaven Arcade at 203 Cottage Grove Rd.

Producer Full-Service Retail Sales Application

Who may apply for full-service retail sales?

Producer permittees may apply for full-service retail sales on or off the production premises. Producer permittees include brewers, rectifiers, manufacturers, and wineries.

Who qualifies for full-service retail sales?

- A brewery that manufactures a minimum of 250 barrels of fermented malt beverages.
- A manufacturer/rectifier that produces a minimum of 1,500 liters of intoxicating liquor.
- A winery that produces a minimum of 1,000 gallons of wine.

What are full-service retail sales?

Permittees that are granted full-service retail sales privileges may:

- Sell fermented malt beverages and intoxicating liquor at retail for on- or off-premises consumption at their production premises and at one or more off-site full-service retail outlets.
- Provide taste samples of fermented malt beverages and intoxicating liquor.

What are full-service retail outlets?

Full-service retail outlets are authorized locations for full-service retail sales at places other than the permittee's production premises.

What is the difference between a fixed and unlimited transfer full-service retail outlet?

Fixed full-service retail outlets may be transferred from one location to another once per year. Unlimited transfer full-service retail outlets may be transferred an unlimited number of times in a year. Only one of a producer's full-service retail outlets may be transferred without limitation on frequency.

How many full-service retail outlets may I have?

The number of full-service retail outlets a producer qualifies for is determined by alcohol beverage production volume. Producers may have a maximum of three full-service outlets, regardless of the number or type of producer permits they hold.

Who approves full-service retail sales?

Full-service retail sales on the production premises need only be approved by the Division of Alcohol Beverages. Municipalities do not issue licenses for full-service retail sales outlets; however, municipalities must approve of the outlets. The applicant must forward the municipal approval to the Division of Alcohol Beverages for final granting of the authority for sales to commence on the premises.

Can a municipality limit authorized sales at a full-service retail outlet?

Yes, a municipality can limit authorized sales at a full-service retail outlet. Municipalities may limit the scope of alcohol beverages offered for sale by the permittee. Municipal approval of a full-service retail outlet must be based on the same standards and criteria, established by ordinance, for the evaluation and approval of retail licenses. A municipality may not impose any requirement or restriction in connection with the approval that the municipality does not impose on retail licensees.

How do I fill out Form AB-105 and begin the application process?

Authorizations requested on Form AB-105 must be applied for only one premises in one municipality at a time. To request multiple authorizations, submit a separate Form AB-105 for each location/premises.

Parts A, B, and F: Applicants must complete Parts A, B, and F.

Parts C, D, and E: Complete only one Part. Form AB-105 must be used to request only one authorization at a time.

Example: A producer applicant requesting full-service retail sales authorization on the production premises should complete Parts A, B, C, and F.

Example: A producer applicant requesting a fixed full-service retail outlet should complete Parts A, B, D, and F.

Example: A producer applicant requesting an unlimited transfer full-service retail outlet should complete Parts A, B, E, and F. Producer applicants requesting authorization in Part E must complete one Form AB-105 for each premises. Applicants may use the same Form AB-105 to request authorization for multiple dates and times occurring on the same premises.

Municipal approval is required for authorizations requested in Parts D and E. If a producer is applying for authorization in either of these sections, the completed application must first be submitted to the governing municipality.

After the municipality has granted approval by completing Part G, the applicant should submit AB-105 to the Division of Alcohol Beverages for final approval. If the applicant is only requesting authorization in Part C, the application does not require municipal approval and may be submitted directly to the Division of Alcohol Beverages.
