Drive - Thru Layout Adjustments based on 3-16-2017 Neighborhood Input

Sixteen O Three Monroe
Scale: 3/32" = 1" - 0"
March 17, 2017

Provide new concrete curb and gutter both sides of alley and new concrete paving in alley for extents of the alley and extending to Oakland Street.

Possible "One-Way" signage on post and pavement markings. Need approval from City of Madison Traffic Engineering.

"No Right Turn" signage on bollard on 2' high concrete curb/barrier.

Curb and pavement marking to highlight and emphasize left turn exit only.
