GENERAL BUSINESS PLAN DESCRIPTION- BEER SALES

BUSINESS DESCRIPTION:

Burgrito’s is a Burger/Burrito concept restaurant operating since 2015 in the New York area. We decided to open in Madison, WI in 2018 in order to expand out of New York into other smaller, vibrant cities. Our cuisine (burgers/Mexican) and style of service (“fast casual” with take-out and delivery) is well suited for a city such as Madison. Madison was selected due to a strong family history of owner Darin Laby attending the University of Wisconsin (Wife 2000 and Brother 2004).

FINANCIAL IMPLICATIONS OF BEER SALES

In New York we have found that our customers occasionally enjoy beer along with our food menu items. Approximately 3% of sales are attributed to beer. We anticipate this to be slightly higher in Madison, based on customer feedback requesting beer to be added to the menu. We anticipate approximately 10% of sales to be attributed to beer. Service will be on-premises only.

HOURS OF SALES

Our hours of operation for the dining room are generally lunch and dinner (11 AM- 10 PM).
PROMOTION OF BEER SALES

Promotion of beer sales will be primarily through our menu, which will list current beers available. No other type of alcohol will be served (i.e. wine or liquor).

For any further questions, please contact Darin Laby at the contact information above.
