HOW WOULD YOU LIKE TO SEE THE SITE DESIGNED?

(Landscaping, site access, parking, screening, location of building on the site etc.)

WHAT TYPE OF ARCHITECTURAL STYLE WOULD YOU LIKE TO SEE?

(Style, materials, exterior configuration, entrance features, roofline, windows etc.)

WHAT SORT OF AMENITIES WOULD SERVE THE NEIGHBORHOOD?

(Commercial uses, alleyway improvements, benches, bus stops, public art, neighborhood kiosk etc.)

THINGS WE KNOW ABOUT THE PROJECT:

- In order to meet our funding requirements, the building will have 48 units.
- In order to meet zoning requirements (lot coverage, setbacks, common open space) the building will be 4 stories
- The building will have 3,000 square feet of commercial space on ground floor
