

**Edgewater noise and quality of life issues
including what has/is being done to address those concerns
May 17, 2017 – 5:30 pm
Agenda**

	Item	Who	Time
1	<p>Introductions and Meeting objectives</p> <p><i>The objectives are to learn about the steps the Edgewater is taking to minimize the impact on residents of the upcoming spring/summer/fall outdoor activities; hear from neighbors about hopes/expectations related to the Edgewater's plans; learn about the conditional use complaint process and applicability to this property; and find out the most effective way of interacting with police about noise problems. There will also be time for Q&A on this topic.</i></p>	Ledell Zellers	10 minutes
2	<p>Plans for upcoming season and steps to minimize impact on residents.</p> <p><i>This is a time when Edgewater staff will describe planned events, what limits they are placing on the number and duration of events, how they are structuring events to minimize sound which is disruptive to the neighborhood, how they intend to monitor sound volume and enforce limits on volume, what they are doing to address exuberant patrons who loudly exit into the neighborhood, etc.</i></p>	Amy Supple and Melanie Gautreau	20 minutes
3	<p>Conditional Use (CU) information.</p> <p><i>This is a time to hear learn about what Conditional Use is, how it applies to this Planned Unit Development and how the CU complaint process works should other approaches to this quality of life issue not be effective.</i></p>	Matt Tucker	20 minutes
4	<p>Working with the Police to help address unreasonable noise.</p> <p><i>This is a time to learn about the best way to report an issue when calling dispatch for best results and to find out what police can and cannot do. Find out about how the record of substantiated noise complaint police calls interfaces with the CU process.</i></p>	Shawn Kelly	20 minutes
5	<p>Neighborhood hopes/expectations for improvements.</p> <p><i>Given what has been communicated by Edgewater staff in #2 above, this is a time for neighbors to share their concerns/thoughts/hopes/expectations with Edgewater staff with a goal of helping them identify additional ways they may be able to further address identified issues.</i></p>	Ledell Zellers	20 minutes
6	<p>Q&A.</p> <p><i>This is a time to seek additional clarification on information provided.</i></p>	Ledell Zellers	20 minutes
7	<p>Wrap up.</p>	Ledell Zellers	5 minutes
