

BRAYTON LOT (BLOCK 113) REDEVELOPMENT PUBLIC MEETINGS

The Brayton Lot (Block 113), is a two-acre surface parking lot situated three blocks from Capitol Square along East Washington Avenue in the First Settlement neighborhood. The future of this site has been addressed in multiple City adopted plans over nearly 30 years. These plans have been consistent in their vision for the scale and massing of future buildings. Now, the community has an unique opportunity to implement those plans, and two public meetings have been scheduled to learn about that opportunity.
