Notice of Proposed Relocation and Comment Period

Madison WI Hilldale Station Post Office

What: The U.S. Postal Service is mailing a postcard to the Madison WI Hilldale Station addresses, announcing a proposed relocation of the Post Office currently located at 601 Sawyer Terrace, Madison WI 53705-3237. The postcard provides information about the public comment period.

Who: USPS Real Estate Specialist Greg Shelton

Background: Due to the potential loss of lease, the Postal Service is now looking for a new location within two miles of the current location. The Postal Service is looking to lease either (a) an existing building that is about 11,300 SF with 88+ parking or (b) split operations in which Postal Service is seeking about 8,000 SF with about 62+ parking for a carrier building and about 1,600 SF with about 20+ parking for the retail building.

The relocation project will consist of procuring a suitable substitute location, as close as reasonably possible to the existing location. Retail Services will continue at the current Post Office until all necessary preparations are completed at the new location.

We are inviting comments on the proposal and request they be sent to the following address within the next 45 days: United States Postal Service, ATTN: Madison WI Hilldale Relocation, PO BOX 27497, Greensboro, NC 27498-1103.

###

The United States Postal Service is an independent federal establishment, mandated to be self-financing and to serve every American community through the affordable, reliable and secure delivery of mail and packages to 167 million addresses six and often seven days a week. Overseen by a bipartisan Board of Governors, the Postal Service is implementing a 10-year transformation plan, [Delivering for America](#), to modernize the postal network, restore long-term financial sustainability, dramatically improve service across all mail and shipping categories, and maintain the organization as one of America's most valued and trusted brands.

The Postal Service generally receives no tax dollars for operating expenses and relies on the sale of postage, products and services to fund its operations.
