Subject: Application to fill the Aldermanic District 12 Vacancy

Date: Wednesday, January 5, 2023

Please enter my name as a former Alderperson that wishes to fill the vacant seat in District 12.

I served the 12th district for ten years, from 1993 to 2003.

I am a lifelong resident of the 12th district, graduating from Madison East High School. Right after graduation I worked as a bookkeeper at Security Bank. Followed by Office Manager in my husband's Construction Business.

I was the Council President Pro Tem in 1999-2000 and Common Council President in 2000-2001.

I was a very active alderperson, serving on almost every committee or commission at one time or another. Now I'm a very active member of my community.

Since retiring I have remained active in the Northside community. I'm a founding member of the Warner Park Community Recreation Center - Circle of Friends, I volunteered for several years at the Lakeview Church Food Pantry, I'm a member of the Northside Business Association, in the summer I volunteer at Vera Court reading buddies, I'm a strong supporter of The River Food Pantry, and a member of the Sherman Neighborhood Association.

Thank you for your time and consideration,

Dorothy Borchardt
