Introduction

Inclusive – Innovative – Thriving

CITY OF MADISON

Long-Term Master Plan

- Overview
- Elements of a Great City
- Key Staff
- Council Actions
- Community Engagement

Overview

Overview

- Since 1964, MWU has adopted a Water Master Plan to guide system development, operation, and growth
- The Master Plan is updated every 5 to 8 years
- The current version of the Master Plan positions MWU for planning as far ahead as 2040
- The document has been used recently to help develop the current 10-year Capital Improvement Plan and 10-year Financial Plan

Elements of a Great City

Elements of a Great City

Eg
Effective
Government

Nh
Neighborhoods
& Housing

Lt
Land Use &
Transportation

- Effective Government
