Strategic Asset Management Plan

Introduction

Inclusive – Innovative – Thriving

CITY OF MADISON

Strategic Asset Management Plan

- Overview
- Elements of a Great City
- Key Staff
- Council Actions
- Community Engagement

Overview

Overview

- “The right project, at the right time, for the right price”
- Focused on improving overall efficiencies and effectiveness in delivering services to the public
- Helps to quantify actual asset conditions and their associated “risk profiles”
- Used to compare, optimize, and prioritize among potential capital projects
- Ensures confidence in project/budget recommendations

Elements of a Great City

Elements of a Great City

- Effective Government
- Green & Resilient
