

**DEPARTMENT OF PUBLIC WORKS
Fleet Division
4151 Nakoosa Trail, Madison, WI 53714
(608) 246-4540**

Mission, Goals and Objectives

Our mission is to manage and administer the safest, greenest, and most efficient municipal fleet possible, including maintenance, vehicle inspection, repair and replacement of vehicles for all City agencies except the Water Utility and Metro Transit.

Mahanth S. Joishy, Fleet Superintendent (608) 246-4546

General management and administration, programs and policy development.

Rachel Darken, Assistant Fleet Superintendent (608) 246-4540

Oversight of vehicle maintenance protocols, fuel program, and administration. Preparation and oversight of division budget; manage allocation of associated costs to users.

Randy Koch, Fleet Operations Manager (608) 246-4545

Supervise vehicle service, repair and parts operations; manage operating costs.

Dale Dalby & Mark Vander Waal, Public Works General Foreperson (608) 246-4541

Vehicle and equipment repairs. Supervision of shop floor operations.
