

Paved Terraces

- **Bernard Ct**
- **Bowen Ct:** Randall Ave to Mills
- **Cantwell Ct:** Jenifer St to Williamson St
- **Carey Ct** (1930 street plan indicates 4' wide concrete terrace with several driveways)
- **Castle Pl:** Gorham to north end
- **Clark Ct**
- **Clymer Pl:** Mills to Brooks (1923 street plan indicates 2' wide concrete terraces)
- **College Ct**
- **Conklin PL**
- **Corscot Ct:** Atwood to Linden
- **Curtis Ct** (1926 street plan indicates 4' wide concrete terrace with several driveways)
- **Delaplaine Ct:** Brooks to Park (south side only)
- **East Lawn Ct:** Reconstructed in 2004 with concrete terraces
- **Mendota Ct**
- **Prospect Pl**
- **Saint James Ct:** Everything is concrete except in front of the church. The area next to the church was built with a 5 foot sidewalk and a 3 foot terrace area.
- **Schley Pass:** E. Wilson to Dewey Ct
- **W Lake Lawn Pl**
- **Washburn Pl**

The far-side paved area is a sidewalk. There is grass between the sidewalk and the street (aka the terrace). The nearer paved area is a paved terrace. There is no sidewalk.
