

Attachment C: Designation of Confidential and Proprietary Information

Applicants are hereby notified that all information submitted in response to this RFP may be made available for public inspection according to public records laws of the State of Wisconsin or other applicable public record laws. Therefore, applicants are encouraged to refrain from submitting information that cannot be open for public inspection. However, if applicants must include information deemed confidential and proprietary by the applicant, applicant must comply with these instructions:

- Requests for confidentiality must be submitted prior to the proposal submission date to the City of Madison Purchasing Office.
- Requests for confidentiality must use this designated form. Failure to include this form in the bid/proposal response may mean that all information provided as part of the bid/proposal response will be open to examination and copying. The City considers other markings of confidential in the bid/proposal document to be insufficient.
- Any information to be considered confidential or proprietary must be separated and packaged from the rest of the proposal. Co-mingling of confidential/proprietary and other information is not acceptable.

Prices always become public information when bids/proposals are opened or when negotiations have been completed and the contract has been awarded. Other information usually cannot be kept confidential unless it involves a trade secret as defined in §.134.90(1)(c), Wis. Stats. Any information that will be included in any resulting contract cannot be considered confidential. A proposal, in its entirety, will not be considered confidential and/or proprietary.

Other information cannot be kept confidential unless it is a trade secret. Trade secret is defined in §. 134.90(1)(c), Wis. Stats. as follows: "Trade secret" means information, including a formula, pattern, compilation, program, device, method, technique or process to which all of the following apply:

1. The information derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use.
2. The information is the subject of efforts to maintain its secrecy that are reasonable under the circumstances.

In the event the designation of confidentiality of this information is challenged, the undersigned hereby agrees to provide legal counsel or other necessary assistance to defend the designation of confidentiality and agrees to hold the City of Madison harmless for any costs or damages arising out of the City's agreeing to withhold the materials.

The attached material submitted in response to Bid/Proposal #_____ includes proprietary and confidential information which qualifies as a trade secret, as provided in §§.19.36(5), Wis. Stats., or is otherwise material that can be kept confidential under the Wisconsin Open Records Law. As such, we ask that certain pages, as indicated below, of this bid/proposal response be treated as confidential material and not be released:
