## REPORTING CHARGES

ContractURL™ follows a three-step process for invoicing: (a) record charges and expenses incurred in the provision of a service, (b) aggregate recorded charges into an invoice and (c) attach support documentation, if any, to an invoice.

In this guide, we will show how to report any charges you have incurred that you will be invoicing for future payments.

## REPORT CHARGES: Record Charges for Services Rendered (No Auth Req.)

### *Billings > Report Charges*

Navigate to the "Billings" module	<ul style="list-style-type: none"><li>• Select the <b>Report Charges</b> module.</li><li>• Click on the action link of the contract you want to report charges on and choose "Select"</li><li>• <b>NOTE:</b> You can ONLY report charges on a contract that is <b>Active</b>.</li></ul>
