

TENNYSON RIDGE REPLAT

BEING A REPLAT OF LOTS 8-14 INCLUSIVE, TENNYSON RIDGE AS RECORDED IN VOLUME 60-058A OF PLATS, ON PAGES 302 AND 303, AS DOCUMENT NUMBER 5248652, DANE COUNTY REGISTRY AND LOCATED IN THE NORTHWEST QUARTER OF THE NORTHWEST QUARTER OF SECTION 30, TOWNSHIP 08 NORTH, RANGE 10 EAST, CITY OF MADISON, DANE COUNTY, WISCONSIN.

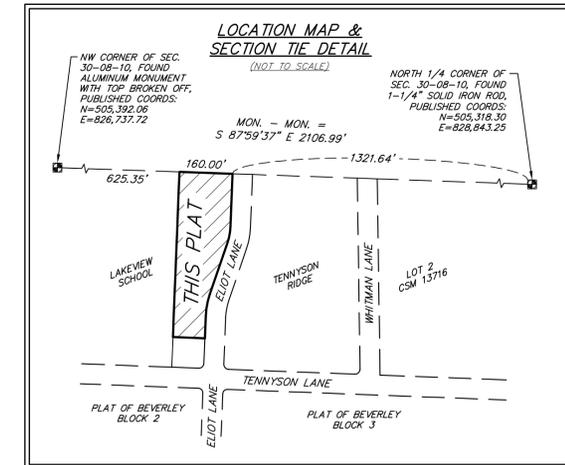

Tree Preservation Easement Note:

The tree preservation easement is intended to preserve existing mature trees and vegetation at the rear of Lots 10-14 (now Lots 4, 5, 6 and Outlot 1) in particular the over-story trees present. Removal of trees and vegetation within the tree preservation easement is prohibited except for the removal of diseased trees or the clearing of underbrush. The construction of any principal or accessory building or structure within the tree preservation easement is strictly prohibited, including the construction of any deck, patio, pool, shed, gazebo, etc. No retaining walls may be constructed or erected within the easement unless for the direct purpose of tree preservation. Fences consistent with zoning requirements are permissible. Management of the tree preservation area shall be the responsibility of the property owner. The Director of the Planning Division of the Department of Planning and Community and Economic Development or his or her designee shall be responsible for the management and enforcement of the easement and any violations of the easement shall be enforced by the city as provided in Madison General Ordinance.

NOTES:

- This survey was prepared based upon information provided in Subdivision Approval Report 30/60 Title Search, Order No. NCS-560377A-MAD prepared by First American Title Insurance Company dated November 10, 2014 at 7:00 A.M.
- Lots 10-14 (now Lots 4, 5, 6 and Outlot 1) of this plat are subject to the requirements of a tree preservation plan per Certified Survey Map Number 13716.
- All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 6-feet in width measured from the property line to the interior of each lot except the easements shall be 12-feet in width on the perimeter of the plat. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of six (6) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared driveway agreement, except that the easement shall be twelve (12) feet in width along the perimeter of the plat. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water. In the event of the City of Madison Plan Commission and/or Common Council approve re-division of a previously subdivided property, the underlying public easement for drainage purposes are released by those required and created by the current approved subdivision.
- The intra-block drainage easements shall be graded with the construction of each principle structure in accordance with the approved storm water drainage plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.
- Public Utility Easements as herein set forth are for the use of public bodies, as well as private utilities having the right to serve the area.
- All lots created by this Plat are individually responsible for compliance with Chapter 37 of the Madison General Ordinances in regards to storm water detention at the time they develop.
- This property is subject to any and all easements and agreements recorded and unrecorded.
- Lots/Building within this subdivision/development are subject to impact fees that are due and payable at the time building permit(s) are issued.

NOTES:

Public Storm Water Drainage Easements:

Creation of Easement Rights: A permanent easement over, across and within the Easement Area is established, memorialized, reserved by, granted, conveyed, transferred and assigned to City of Madison for the uses and purposes hereinafter set forth. The Easement Area may be used by City of Madison for public storm water drainage purposes. City of Madison and its employees, agents and contractors shall have the right to construct, install, maintain, operate, repair, replace and reconstruct the Storm Water Drainage Facilities within the Easement Area. City of Madison shall have the further right of ingress and egress to and from the Easement Area in order to exercise its rights and privileges hereunder, and to cut and remove trees, vegetation and other impediments in the Easement Area which may obstruct or interfere with the actual or potential use of the Easement Area for the foregoing purposes.

Property Restoration: City of Madison shall repair any damage caused to any pavement, concrete or turf located within the Easement Area and/or the Property as a result of the use of the Easement Area by or on behalf of the City of Madison as provided herein. Following completion of any excavation work, City of Madison shall promptly restore the area affected by the work to the original grade and surface condition including the repair or replacement of pavement, concrete and turf.

Limitations on Use of Easement Area: The owner of the Property shall have the right to use the Easement Area for any purpose, provided such use shall not interfere with the easement rights of the City of Madison hereunder. No buildings or structures or fences unrelated to the Storm Water Drainage Facilities shall be constructed in and no grade change shall be made to the Easement Area without the written consent of the City of Madison's Engineering Division City Engineer.

Binding Effect: This Easement shall run with the land described herein and shall be binding upon the owners of the Property, and their successors in interest.

Release of Rights to Easements Created by Plat: Any release of rights that were placed on platted land which was required by a public body or which names a public body or public utility as grantee shall be released by recording a separate easement release document with the Dane County Register of Deeds in accordance with ss236.293.

SURVEYOR'S CERTIFICATE

Tree Preservation Easement Note:

The tree preservation easement is intended to preserve existing mature trees and vegetation at the rear of Lots 10-14 (now Lots 4, 5, 6 and Outlot 1) in particular the over-story trees present. Removal of trees and vegetation within the tree preservation easement is prohibited except for the removal of diseased trees or the clearing of underbrush. The construction of any principal or accessory building or structure within the tree preservation easement is strictly prohibited, including the construction of any deck, patio, pool, shed, gazebo, etc. No retaining walls may be constructed or erected within the easement unless for the direct purpose of tree preservation. Fences consistent with zoning requirements are permissible. Management of the tree preservation area shall be the responsibility of the property owner. The Director of the Planning Division of the Department of Planning and Community and Economic Development or his or her designee shall be responsible for the management and enforcement of the easement and any violations of the easement shall be enforced by the city as provided in Madison General Ordinance.

NOTES:

- This survey was prepared based upon information provided in Subdivision Approval Report 30/60 Title Search, Order No: NCS-560377A-MAD prepared by First American Title Insurance Company dated November 10, 2014 at 7:00 A.M.
- Lots 10-14 (now Lots 4, 5, 6 and Outlot 1) of this plat are subject to the requirements of a tree preservation plan per Certified Survey Map Number 13716.
- All lots within this plat are subject to public easements for drainage purposes which shall be a minimum of 6-feet in width measured from the property line to the interior of each lot except the easements shall be 12-feet in width on the perimeter of the plot. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of six (6) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared driveway agreement, except that the easement shall be twelve (12) feet in width along the perimeter of the plot. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water. In the event of the City of Madison Plan Commission and/or Common Council approve re-division of a previously subdivided property, the underlying public easement for drainage purposes are released by those required and created by the current approved subdivision.
- The intra-block drainage easements shall be graded with the construction of each principle structure in accordance with the approved storm water drainage plan on file with the City Engineer and the Zoning Administrator, as amended in accordance with the Madison General Ordinances.
- Public Utility Easements as herein set forth are for the use of public bodies, as well as private utilities having the right to serve the area.
