RE: Land Use Application
Urban Design Commission Application
4706 East Washington Ave.

Dear Commission members and Planning Staff:

On behalf of Galway Companies, Sketchworks Architecture, LLC is submitting this letter of intent and application for the proposed multi-tenant commercial building and site improvements to the vacant parcel located at 4706 E. Washington Ave.

On December 10, 2018, we presented the project scope to Janine Glaeser, Jenny Kirchgatter, and Sydney Prusak for a pre-application meeting to gain information and better knowledge into the requirements of this proposed development.

Proposal Summary:

In late 2017, the two-story office building formerly located at 4706 E. Washington Ave. was razed due to its condition and viability of its intended use. The site was prepared per the terms of the demolition approval, and has been vacant since. The owner has now identified a need to construct a 5,500 sf multi-tenant commercial building on the southern most portion of the lot due to the extreme grade change and subsurface conditions. Parking will be located directly to the north of the proposed building site, with access via cross-access easement agreement with the adjacent property to the west. The owner controls both properties. As such, planning is considering this a planned development due to the cross-access easement. Plan Commission approval is required for all planned development sites as a Conditional Use. The proposed use(s) are approved within the CC-T zoning district.

The parcel is located within the (CC-T) Commercial Corridor - Transitional Zoning, as well as the Urban Design District #5. This area is also part of the Greater Sandburg Neighborhood Association. We have contacted Alder Baldeh of District #17, and he has waived the 30 day notice. Official notice was provided to the Alder on December 11, 2018 of the request.

The building will be a single story, wood framed commercial building. Exterior materials will consist primarily of brick masonry creating a durable base, a middle section of fiber-cement based panels, and a top that incorporates EIFS within the signage band areas for ease of attachment and maintenance. The building design meets the material and percentage of required glazing as required by the City of Madison Ordinances.

Zoning District:

The property is currently zoned CC-T
Urban Design District #5.

Project Schedule:

The project construction schedule will be as follows:

Pre-Application Meeting	December 10, 2018
Submit Land Use Application/UDC	January 9, 2019
Urban Design Commission Initial/Final	February 27, 2019
Plan Commission	March 11, 2019
Final Site Plan Submittal:	March 12, 2019
Plan Review/Permit Submittal:	March 15, 2019
Start Construction	April 1, 2019

Project Team:

The key individuals and firms involved in this planning and design process include:

Tenant/ Building Owner:
Galway Companies, LLC.
6430 Bridge Rd, Ste. 230
Madison WI 53713
Contact: Steve Doran
(608) 327-4006

Civil Engineer:
Professional Engineering, LLC.
818 N. Meadowbrook Ln.
Waunakee, WI 53597
Contact: Roxanne Johnson P.E.
(608) 849-9378

Architect:
Sketchworks Architecture, LLC
7780 Elmwood Ave Ste 208
Middleton, WI 53562
Contact: Brad Koning
(608) 836-7570

Please feel free to contact us with any questions you may have regarding this request.

Respectfully,

A handwritten signature in black ink that reads "Bradley Koning". The signature is written in a cursive, flowing style.
