Re: 5017 Femrite Drive

Dear Planning Department:

Enclosed herewith are the following documents pertaining to a request for a Demolition Permit regarding the above referenced property:

1. Land Use Application;
2. 7 full sized copies of 11/7/2003 ALTA survey of subject property (Parcel D on survey);
3. 25 11" X 17" copies of 11/7/2003 ALTA survey of subject property (Parcel D on survey);
4. 1 8 ½" X 11" copy of 11/7/2003 ALTA survey of subject property (Parcel D on survey);
5. 33 copies of this letter attached to each of the survey copies indicated above;
6. Photos of home and garage located on subject property; and
7. Check in the amount of \$600 for the application fee.

Bielinski Development, Inc., the owner of the subject property, desires to raze the single family home and garage from the property. The foundation will be filled in, and the yard will be graded and seeded. Further, the driveway curb cut will be closed up and that area will also be graded and seeded.

The owner has no current plans for the property after the razing is completed. The property has been listed for sale and will continue to be for sale.

Let me know if there are any questions or comments regarding this request. This information will also be emailed to the Planning Department to fulfill the electronic submission requirement.

Sincerely,
