GENERAL NOTES:

1. Lots/buildings within this subdivision/development are subject to impact fees that are due and payable at the time building permit(s) are issued.
2. All lots within this Certified Survey Map shall be subject to public easements for drainage purposes which shall be a minimum of 6 feet in width measured from the property line to the interior of each lot except that the easements shall be 12 feet in width on the perimeter of the Certified Survey Map. For purposes of two (2) or more lots combined for a single development site, or where two (2) or more lots have a shared driveway agreement, the public easement for drainage purposes shall be a minimum of six (6) feet in width and shall be measured only from the exterior property lines of the combined lots that create a single development site, or have a shared driveway agreement, except that the easement shall be twelve (12) feet in width along the perimeter of the Certified Survey Map. Easements shall not be required on property lines shared with greenways or public streets. No buildings, driveways, or retaining walls shall be placed in any easement for drainage purposes. Fences may be placed in the easement only if they do not impede the anticipated flow of water. In the event of a City of Madison Plan Commission and/or Common Council approved re-division of a previously subdivided property, the underlying public easements for drainage purposes are released and replaced by those required and created by the current approved subdivision.
