

Redistricting email to community

Hello,

Redistricting, the process of redrawing the City's wards and alder districts based on population changes that have occurred over the last decade, is happening now. Redistricting determines which communities and neighborhoods are assembled into alder districts and other voting districts.

There are many opportunities for the community to participate in the process.

Join us for one of our City of Madison Redistricting Informational Meetings on Wednesday, September 22nd [12-1pm](#) or [6-7pm](#) on Zoom, in-person opportunities where draft maps will be available for feedback at a City of Madison [library](#) near you from September 20-26th, or [Redistricting Committee](#) meetings. The community can visit cityofmadison.com/Redistricting for more information and subscribe to updates.

More information on the redistricting process is available at cityofmadison.com/Redistricting

Thank you,
