MAC Grant Categories

The Madison Arts Commission’s (MAC) mission is to foster arts appreciation by initiating partnerships, developing new audiences, and sponsoring diverse artistic activities by emerging and established artists and arts organizations while preserving Madison’s rich artistic tradition. The MAC Grants Program distributes funds to Madison artists and nonprofit arts organizations through the annual grant programs. MAC is an 11-member citizen commission appointed by the Mayor to advise the City about matters of arts and culture.

MAC is committed to ensuring equity and access to arts and culture. MAC grants are for a maximum of $3,000. Grant applications are due in Dropbox by 11:59 pm on March 15th. Applicants may submit only one grant application per year in one of the four categories:

1. **Project Grants** will provide up to $3,000 to nonprofit arts organizations for performances, exhibitions, installations, art, concert series, and events or other projects that enrich the cultural lives of Madison’s residents - there must be a significant component of the project that is free and accessible to the public.

2. **Legacy Grants** are a special fast-track grant category for those organizations that have received MAC annual grant funding for the same project in three out of the last six years. Funding in the legacy category is limited to $1,500. Applicants need only complete parts A & B of the application.

3. **Arts Education Grants** will provide up to $3,000 for co-curricular and extra-curricular PK - 12 arts educational programming (for free programs or full scholarships). Projects that support the goals of Any Given Child will be given special consideration.

4. **Individual Artist Fellowship Awards** recognize the significant contributions of professional artists in Madison. These awards provide up to $1,500 to artists of all disciplines to support continued artistic/ professional development, enabling artists to create new work, complete work in progress, and pursue activities which contribute to their artistic growth. Applicants need only complete parts A through E of the application.

All application materials must be received by 11:59 pm on March 15, 2019 in Dropbox.

**Project & Legacy Grants**

**DEADLINE: MARCH 15, 2019**

MAC encourages nonprofit organizations (individual artists, teams of artists or neighborhood groups) to apply for project grants to help support activities that enrich the cultural lives of Madison’s residents. Typically, these projects are participatory, educational, and can involve professional or non-professional artists. Project grants will be made for projects that do one or more of the following: facilitate the involvement of Madison residents in arts and cultural activities; expand individual artists’ work; provide an opportunity for community members to participate in the creative process; are targeted to children, adults, and/or families; or provide arts and cultural programs that celebrate or enhance the identity of a specific neighborhood, ethnicity, organization or community.

If your organization has received ongoing support for the same project for several years, please consider applying in the Legacy grant category. MAC recognizes that there are many projects in Madison that have proven over time to be successful and are now an integral part of our cultural landscape. We appreciate your organization’s long term commitment to providing enriching arts experiences in our community. We want you to continue to provide new, creative, and affordable access to audiences and understand that a modest subsidy from MAC is necessary for you to continue to provide your legacy program.

**Arts Education Grants**

**DEADLINE: MARCH 15, 2019**

MAC, as part of its mission to make the arts accessible to all of Madison’s citizens, is especially committed to making arts education available to every child. Developing the arts and integrating them more fully into the lives of Madison communities is at the heart of the Arts in Education grant program. The goal of the grant is to support partnerships between individual artists or arts organizations and schools or community groups for co-curricular and extra-curricular arts-based activities in PK-12th grade. This arts-based education should take place on a regularly scheduled basis, and should reach diverse, under-served students in elementary, middle, and after-school settings. MAC funds must be used for free programs, or scholarships allowing free participation. Projects that support the goals of Any Given Child will be given special consideration.

**Individual Fellowships**

**DEADLINE: MARCH 15, 2019**

This grant is meant to support professionally-active artists who reside in Madison. We would like to support artists producing original work (i.e. composers, choreographers, authors, visual artists). Preference will be given to proposals that include public access to the completed work.
Considerations

All applicants **MUST email** (madisonarts@cityofmadison.com) the Arts Administrator of their intent to apply prior to submittal.

Individuals and/or organizations may receive funding for only one grant per funding year. The same project will not be funded twice in the same calendar year.

MAC grants may be awarded for up to $3,000, but not more than 50% of the total estimated project costs. The grant funds requested must be matched with cash or a combination of cash and in-kind contributions. In-kind is defined as non-cash donations of goods and services, such as labor, facilities, or equipment to carry out a project. In-kind contributions may be counted toward the total match but at least 50% of the match must be cash from non-City sources. (In-kind services may include offerings of space, materials, loaned equipment and/or donated professional services, and written verification of all in-kind contributions is required of grantees in the final report.)

Grants **MAY** be used for artists’ fees, legally required royalties, production expenses, space rental, marketing costs, purchase of expendable materials, required insurance, etc. MAC Grants **CANNOT** be used to fund prizes or awards, grantee’s tuition, purposes other than outlined in the grant, permanent equipment, travel outside the City of Madison, refreshments or debts incurred for past activities.

Applicants are not eligible for MAC funds if they are receiving other cash funding (not in-kind) from the City of Madison for the project being applied for in the grant application. If applicable, individual artists may list all or part of their time as a project expense. Hours that you are not requesting funding for should be listed as an in-kind expense/income.

The Madison Common Council must first approve all award recommendations. Then a contract between the Grantee and the City must be signed and approved by both parties before the grant becomes official. Any work done, or expenses incurred prior to signing the contract and receiving Council approval will not be reimbursed. On the budget form check boxes only for expenses that will occur during the grant period.

All information submitted to the MAC and its staff, including public art proposals, grant and exhibition applications and supporting material, emails, and information collected from web-based forms, may be made available to requesting parties under the City of Madison and State of Wisconsin public records laws.

Examples of stretching are:
