***INKIND** is defined as non-cash donations of goods and services such as labor, facilities, or equipment to carry out a project. Typically, skilled or professional labor can be valued at the prevailing rate that the individual making the donation has a record of receiving in the field. *For example Grantee X counts donation of Venue Y at Venue Y's normal rental rate and the donation of their set designer at the designer's average wage of \$17.00 per hour X the number of hours they will work on the project. If audited, these amounts could be verified, by showing the posted rental agreement for Venue Y and previous pay stub of the set designer.*

Grants **MAY** be used for artists' fees, legally required royalties, production expenses, space rental, marketing costs, purchase of expendable materials, required insurance, etc. MAC Grants **CANNOT** be used to fund prizes or awards, grantee's tuition, purposes other than outlined in the grant, permanent equipment, travel outside the City of Madison, refreshments or debts incurred for past activities.

Nondiscrimination Based on Disability. Applicant shall comply with Section 39.05, Madison General Ordinances, Nondiscrimination Based on Disability in City-Assisted Programs and Activities. Under section 39.05(7) of the Madison General Ordinances, no City financial assistance shall be granted unless an Assurance of Compliance with Sec. 39.05 is provided by the applicant or recipient, prior to the granting of the City financial assistance.

Applicant hereby makes the following assurances: Applicant assures and certifies that it will comply with section 39.05 of the Madison General Ordinances, entitled "Nondiscrimination Based on Disability in City Facilities and City-Assisted Programs and Activities," and agrees to ensure that any subcontractor who performs any part of this agreement complies with sec. 39.05, where applicable, including all actions prohibited under section 39.05(4), MGO.
