Need assistance locating child care options?

4-C assists parents with their search for early care and education for their children

Regulated and license exempt child care professionals, and unregulated youth programs

Request a free child care or youth program referral via one of the following methods:

- Complete this child care referral request intake, OR
- Complete the on-line search (immediate results), OR
- Call us at **(608) 271-9181** or **(800) 750-KIDS** (ask for the referral program)

www.4-C.org

4-C does not endorse or recommend any particular child care program. Parents are strongly encouraged to visit each site and ask questions about policies and procedures of the program before making a final decision. Continuous monitoring of the program is suggested. Program availability information changes daily. Please contact programs directly to learn about their current status and their plan for availability in future weeks.
