Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.

Give Form W-4 to your employer.

Your withholding is subject to review by the IRS.

2026

Step 1: Enter Personal Information	(a) First name and middle initial	Last name	(b) Social security number
	Address		Does your name match the name on your social security card? If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to www.ssa.gov .
	City or town, state, and ZIP code		
	(c) <input type="checkbox"/> Single or Married filing separately <input type="checkbox"/> Married filing jointly or Qualifying surviving spouse <input type="checkbox"/> Head of household (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)		

Caution: To claim certain credits or deductions on your tax return, you (and/or your spouse if married filing jointly) are required to have a social security number valid for employment. See page 2 for more information.

TIP: Consider using the estimator at www.irs.gov/W4App to determine the most accurate withholding for the rest of the year if you: are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2-4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at www.irs.gov/W4App.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at www.irs.gov/W4App for the most accurate withholding for this step (and Steps 3-4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than Step 2(b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, Step 2(b) is more accurate

Complete Steps 3-4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3-4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits	If your total income will be \$200,000 or less (\$400,000 or less if married filing jointly):			
	(a) Multiply the number of qualifying children under age 17 by \$2,200		3(a) \$	
	(b) Multiply the number of other dependents by \$500		3(b) \$	
	Add the amounts from Steps 3(a) and 3(b), plus the amount for other credits. Enter the total here			3

Step 4: Other Adjustments	(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income	4(a) \$
	(b) Deductions. Use the Deductions Worksheet on page 4 to determine the amount of deductions you may claim, which will reduce your withholding. (If you skip this line, your withholding will be based on the standard deduction.) Enter the result here	4(b) \$
	(c) Extra withholding. Enter any additional tax you want withheld each pay period	4(c) \$

Exempt from withholding	I claim exemption from withholding for 2026, and I certify that I meet both of the conditions for exemption for 2026. See <i>Exemption from withholding</i> on page 2. I understand I will need to submit a new Form W-4 for 2027 <input type="checkbox"/>
-------------------------	---

Step 5: Sign Here	Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.	
	Employee's signature (This form is not valid unless you sign it.)	Date

Employers Only	Employer's name and address	First date of employment	Employer identification number (EIN)

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2026 if you meet both of the following conditions: you had no federal income tax liability in 2025 **and** you expect to have no federal income tax liability in 2026. You had no federal income tax liability in 2025 if (1) your total tax on line 24 on your 2025 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2026 tax return. To claim exemption from withholding, certify that you meet both of the conditions by checking the box in the *Exempt from withholding* section. Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 16, 2027.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Expect to work only part of the year;
3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;
4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or
5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount of tax withheld will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain credits. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4.

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 15, if you expect to claim deductions other than the basic standard deduction on your 2026 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for qualified tips, overtime compensation, and passenger vehicle loan interest; student loan interest; IRAs; and seniors. You (and/or your spouse if married filing jointly) must have the required social security number to claim certain deductions. For additional eligibility requirements, see Pub. 501.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe when you file your tax return.

Step 2(b) – Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1 Two jobs. If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 5. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 **1** \$ _____

2 Three jobs. If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 5 and enter this amount on line 2b **2b** \$ _____

c Add the amounts from lines 2a and 2b and enter the result on line 2c **2c** \$ _____

Step 4(b)—Deductions Worksheet (Keep for your records.)

EMPLOYEE INSTRUCTIONS:

• WHO MUST COMPLETE:

Effective on or after January 1, 2020, every newly-hired employee is required to provide a completed Form WT-4 to each of their employers. Form WT-4 will be used by your employer to determine the amount of Wisconsin income tax to be withheld from your paychecks. If you have more than one employer, you should claim a smaller number or no exemptions on each Form WT-4 provided to employers other than your principal employer so that the total amount withheld will be closer to your actual income tax liability.

You must complete and provide your employer a new Form WT-4 within 10 days if the number of exemptions previously claimed DECREASES.

You may complete and provide to your employer a new Form WT-4 at any time if the number of your exemptions INCREASES.

Your employer may also require you to complete this form to report your hiring to the Department of Workforce Development.

• UNDER WITHHOLDING:

If sufficient tax is not withheld from your wages, you may incur additional interest charges under the tax laws. In general, 90% of the net tax shown on your income tax return should be withheld.

• OVER WITHHOLDING:

If you are using Form WT-4 to claim the maximum number of exemptions to which you are entitled and your withholding exceeds your expected income tax liability, you may use Form WT-4A to minimize the over withholding.

WT-4 Instructions – Provide your information in the employee section.

• LINE 1:

(a)-(c) Number of exemptions – Do not claim more than the correct number of exemptions. If you expect to owe more income tax for the year than will

be withheld if you claim every exemption to which you are entitled, you may increase your withholding by claiming a smaller number of exemptions on lines 1(a)-(c) or you may enter into an agreement with your employer to have additional amounts withheld (see instruction for line 2).

(c) Dependents – Those persons who qualify as your dependents for federal income tax purposes may also be claimed as dependents for Wisconsin purposes. The term "dependents" does not include you or your spouse. Indicate the number of dependents that you are claiming in the space provided.

• LINE 2:

Additional withholding – If you have claimed "zero" exemptions on line 1, but still expect to have a balance due on your tax return for the year, you may wish to request your employer to withhold an additional amount of tax for each pay period. If your employer agrees to this additional withholding, enter the additional amount you want deducted from each of your paychecks on line 2.

• LINE 3:

Exemption from withholding – You may claim exemption from withholding of Wisconsin income tax if you had no liability for income tax for last year, and you expect to incur no liability for income tax for this year. You may not claim exemption if your return shows tax liability before the allowance of any credit for income tax withheld. If you are exempt, your employer will not withhold Wisconsin income tax from your wages.

You must revoke this exemption (1) within 10 days from the time you expect to incur income tax liability for the year or (2) on or before December 1 if you expect to incur Wisconsin income tax liabilities for the next year. If you want to stop or are required to revoke this exemption, you must complete and provide a new Form WT-4 to your employer showing the number of withholding exemptions you are entitled to claim. This certificate for exemption from withholding will expire on April 30 of next year unless a new Form WT-4 is completed and provided to your employer before that date.

CITY OF MADISON
INTER-DEPARTMENTAL
CORRESPONDENCE

DATE: May 16, 2025

TO: All City of Madison Employees

FROM: Leah Reinardy, Occupational Accommodations Specialist

SUBJECT: **Self-Declaration of Disability Form**

It is City policy to provide equal employment opportunities for all persons. Under Federal law and City ordinances, the City of Madison has the responsibility to collect work force data about the number of employees who have a disabling condition.

The Self-Declaration of Disability Form is used to determine how many persons with disabilities are represented in our workforce. The information requested is intended for use in connection with the City's voluntary affirmative action efforts. Although the City is required to collect this information, disclosing a disability is **voluntary** on the part of the employee. Verification of disability is only required when a reasonable job accommodation is requested.

Your completed form will not be filed in your personnel file. The Occupational Accommodations Specialist in the Human Resources Department will retain it in a separate file. All information provided shall remain **confidential** and will not be released to anyone without prior written permission of that individual, and would only be used to secure positive employment benefits. Your refusal to provide the information will not subject you to any adverse treatment.

Please complete the attached Self-Declaration of Disability Form whether or not you wish to declare a disability, and seal it in the white confidential envelope.

If you have any questions or concerns, please feel free to contact Leah Reinardy at (608) 267-1156 or accommodations@cityofmadison.com.

Form CC-305

OMB Control Number 1250-0005
Expires 04/30/2026

Name (Print): _____

Date: _____

Signature: _____

Why are you being asked to complete this form?

We are a federal contractor or subcontractor. The law requires us to provide equal employment opportunity to qualified people with disabilities. We have a goal of having at least 7% of our workers as people with disabilities. The law says we must measure our progress towards this goal. To do this, we must ask applicants and employees if they have a disability or have ever had one. People can become disabled, so we need to ask this question at least every five years.

Completing this form is voluntary, and we hope that you will choose to do so. Your answer is confidential. No one who makes hiring decisions will see it. Your decision to complete the form and your answer will not harm you in any way. If you want to learn more about the law or this form, visit the U.S. Department of Labor's Office of Federal Contract Compliance Programs (OFCCP) website at www.dol.gov/ofccp.

How do you know if you have a disability?

A disability is a condition that substantially limits one or more of your "major life activities." If you have or have ever had such a condition, you are a person with a disability. **Disabilities include, but are not limited to:**

- Alcohol or other substance use disorder (not currently using drugs illegally)
- Autoimmune disorder, for example, lupus, fibromyalgia, rheumatoid arthritis, HIV/AIDS
- Blind or low vision
- Cancer (past or present)
- Cardiovascular or heart disease
- Celiac disease
- Cerebral palsy
- Deaf or serious difficulty hearing
- Diabetes
- Disfigurement, for example, disfigurement caused by burns, wounds, accidents, or congenital disorders
- Epilepsy or other seizure disorder

DIRECT DEPOSIT INFORMATION

To participate in direct deposit, you must complete an authorization agreement form. Instead of a paycheck, you will receive an earnings statement which reflects the same information that would have been shown on your paycheck stub. Every effort will be made to deposit the funds into your account on the normal payday. However, there may be circumstances, beyond our control that may delay this deposit. Prepays and early releases will not be available to those who are on direct deposit.

INSTRUCTIONS FOR COMPLETING THE DIRECT DEPOSIT AUTHORIZATION AGREEMENT

Using the example on the bottom of the form, fill in your checking or savings account number, the transit number and the name of your financial institution. You may choose to have your whole net paycheck deposited to one account or have it spread over 2 or 3 accounts. If you want to use more than 1 account, you must tell us how to divide your net check. Please indicate whether each account is a checking or savings account.

For example, you have 2 accounts at Federal Bank and 1 account at State Bank. You have decided that you want \$100 to go into your savings account at Federal Bank, \$200 to go into your savings account at State Bank and the remainder of your paycheck to go into your checking account at Federal Bank. For Account Number 1, you must fill in the information for your checking account at Federal Bank. You then fill in the information and dollar amounts for your savings amounts at Federal Bank and State Bank for Account Numbers 2 and 3.

Staple a voided blank check or savings account deposit slip for each account on the bottom on the form. Give the form to your payroll clerk or to Central Payroll in Room 414, City-County Building.

MAKING CHANGES

A new authorization agreement must be completed if you want to change account numbers, financial institutions or amounts. These forms may be obtained from your payroll clerk or Central Payroll.

TERMINATING DIRECT DEPOSIT

Complete a Direct Deposit Termination form which may be obtained from your payroll clerk or Central Payroll. If you terminate your direct deposit, you may not re-enroll for 6 months.

Benefits and Employment Information

(Hourly/Seasonal Employees)

Welcome to the City of Madison!

Hourly and seasonal employees of the City of Madison are eligible for several benefits through their City employment, outlined below. More details are available in Appendix A of the Employee Benefits Handbook for general municipal employees, available on the Human Resources website here: <https://www.cityofmadison.com/human-resources/benefits/employee-handbooks>.

Paid Holidays

You must work the scheduled workday before and the scheduled workday after the holiday to receive this benefit unless your absence has been pre-approved in writing by your supervisor. Holiday pay is based on the number of hours worked in the payroll period that precedes the payroll period in which the given holiday falls.

- **Note:** Paid holidays are distinct from paid leave days (Ho-Chunk Day (the day after Thanksgiving), 12/24, and 12/31). Hourly/seasonal employees are not eligible for paid leave days.

Sick Leave

You will receive one (1) day (8 hours) of sick leave upon completion of every two hundred (200) hours of work to a maximum of three (3) days in the payroll year. If your employment is terminated or you resign prior to the end of the season or payroll year, you will forfeit accumulated sick time. If you are laid off at the end of the season or to return to school, you shall receive a payout for half of the unused accumulated sick time.

Overtime

If you work overtime, that time will be paid at an overtime rate of 1.5 times your regular pay.

Wisconsin Retirement System (WRS)

Eligibility for WRS depends on whether you have participated in WRS prior to July 1, 2011, and on whether you have previously separated from WRS.

- **For employees who participated in WRS before July 1, 2011 and have not taken a lump sum/annuity benefit from that participation:** Upon completion of twelve (12) months of employment and working at least 600 hours, you are eligible to participate in WRS.
- **For employees who have not previously participated in WRS prior to July 1, 2011 or have taken a lump sum/annuity benefit from their prior to July 1, 2011 participation:** Upon completion of twelve (12) months of employment and working at least 1,200 hours, you are eligible to participate in WRS.

Eligible employees will be automatically enrolled as a participating WRS member by Central Payroll; you will be notified by Central Payroll if/when you are eligible for this benefit. Contributions are based on earnings. The City of Madison and employee each contribute a percentage; your percentage is deducted from your gross earnings on your paycheck. Each year a total (%) contribution rate is determined by the Department of Employee Trust Funds (ETF), which manages WRS.

Health Insurance

Eligibility for City health insurance is tied to WRS eligibility. If you are enrolled in WRS, you are also eligible to enroll in health insurance plans. The City of Madison will not contribute to the health insurance premium cost until you have been participating with WRS (see above) six (6) complete months. Upon completion of 6 months of participation in WRS, the contribution the City of Madison will make toward your health insurance premium is based on the number of hours you worked in the previous twelve (12) months:

- If you worked more than **600 hours** but fewer than 1,044 hours in the previous 12 months, the City of Madison will contribute **25%** of the regular City contribution to the health insurance premium.
- If you worked more than **1,044 hours** in the previous 12 months, the City of Madison will contribute **50%** of the regular City contribution to the health insurance premium.

Enrollment in City health insurance (if eligible) is optional, and requires you to complete a Health Application/Change Form and return that form to Human Resources within the deadline for your qualifying event.

Promotional Opportunities

You are eligible to apply and compete for promotions that have been exclusively posted to City employees in addition to those available to the general public. Job announcements are posted in each City department or may be accessed through the City of Madison EmployeeNet. Please watch the postings carefully, as some positions may be limited to employees of a particular department/division. If you have questions on your eligibility to apply for certain positions, please contact the Human Resources Department at (608) 266-4615 or hr@cityofmadison.com.

If you are selected for a permanent position and you have not had a break in service, you may be given credits for the length of employment as an hourly/seasonal employee. In accordance with the Employee Benefits Handbook for General Municipal Employees, and based on your total hours of employment as an hourly/seasonal employee, you may be credited with vacation and sick leave. This time will be given to you upon successful completion of your probation period.

- **Note:** You may hold only one City position at a time per Administrative Procedure Memorandum (APM) No. 3-7.

Bus Pass

Hourly and seasonal employees are also eligible to receive a free Madison Metro bus pass. Please contact your agency Payroll Clerk to obtain your bus pass.

Certain Ineligible Benefits

You not eligible for paid leave days, vacation time, floating holiday time, dental insurance, vision insurance, life insurance, wage insurance, pet insurance, Flexible Spending Accounts, or Deferred Compensation Plans through the City of Madison. If you become a permanent employee, you will (upon conversion to permanent status) become eligible for all of these benefits.

To: City of Madison Employees Who Are Not Eligible for Employer-Provided Health Insurance

From: Human Resources Department

Subject: Affordable Care Act: Employer Notice – Health Insurance Marketplace

The Affordable Care Act (ACA) became law when it was signed by President Obama on March 23, 2010. It required that most people must have health insurance starting in 2014. The Health Insurance Marketplace allows individuals who are not eligible for health insurance through their employer (or another avenue, such as through the State) to obtain health insurance.

- Detailed information on the Health Insurance Marketplace is available online at <https://www.healthcare.gov/get-coverage/#state=wisconsin> or by phone at (800) 318-2596. The Health Insurance Marketplace will provide choices of certified health plans.
- There is no longer a fee (sometimes referred to as the “individual mandate,” “penalty,” or “fine”) associated with not having health insurance through your employer or through the Marketplace. Please visit <https://www.healthcare.gov/fees/fee-for-not-being-covered> for more information.
- If you need this information in another language, please visit <https://www.healthcare.gov/language-resource> or call HealthCare.gov at (800) 318-2596.

Your current City employment does not include eligibility for employer-provided health coverage. If you become eligible for the Wisconsin Retirement System (WRS) in the future, you may become eligible for employer-provided health coverage at that time. More details are available on the City of Madison Human Resources website at <https://www.cityofmadison.com/human-resources/benefits/hourly-seasonal-employees>.

- New Health Insurance Marketplace Coverage Options and Your Health Coverage: Part A (General Information) and Part B (Information About Health Coverage Offered by Your Employer)

**This information is not open enrollment information.
Open enrollment information will be provided to eligible employees
during the annual Open Enrollment period each autumn.**

Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 12-31-2026)

PART A: General Information

Even if you are offered health coverage through your employment, you may have other coverage options through the Health Insurance Marketplace ("Marketplace"). To assist you as you evaluate options for you and your family, this notice provides some basic information about the Health Insurance Marketplace.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options in your geographic area.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium and other out-of-pocket costs, but only if your employer does not offer coverage, or offers coverage that is not considered affordable for you and doesn't meet certain minimum value standards (discussed below). The savings on your premium that you're eligible for depends on your household income. You may also be eligible for a tax credit that lowers your costs.

Does Employment-Based Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that is considered affordable for you and meets certain minimum value standards, you will not be eligible for a tax credit, or advance payment of the tax credit, for your Marketplace coverage and may wish to enroll in your employment-based health plan. However, you may be eligible for a tax credit, and advance payments of the credit, that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that is considered affordable for you or meet minimum value standards. If your share of the premium cost of all plans offered to you through your employment is more than 9.12%¹ of your annual household income, or if the coverage through your employment does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit, and advance payment of the credit, if you do not enroll in the employment-based health coverage. For family members of the employee, coverage is considered affordable if the employee's cost of premiums for the lowest-cost plan that would cover all family members does not exceed 9.12% of the employee's household income.^{1,2}

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered through your employment, then you may lose access to whatever the employer contributes to the employment-based coverage. Also, this employer contribution -as well as your employee contribution to employment-based coverage- is generally excluded from income for federal and state income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis. In addition, note that if the health coverage offered through your employment does not meet the affordability or minimum value standards, but you accept that coverage anyway, you will not be eligible for a tax credit. You should consider all of these factors in determining whether to purchase a health plan through the Marketplace.

¹ Indexed annually; see <https://www.irs.gov/pub/irs-drop/rp-22-34.pdf> for 2023.

² An employer-sponsored or other employment-based health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs. For purposes of eligibility for the premium tax credit, to meet the "minimum value standard," the health plan must also provide substantial coverage of both inpatient hospital services and physician services.

When Can I Enroll in Health Insurance Coverage through the Marketplace?

You can enroll in a Marketplace health insurance plan during the annual Marketplace Open Enrollment Period. Open Enrollment varies by state but generally starts November 1 and continues through at least December 15.

Outside the annual Open Enrollment Period, you can sign up for health insurance if you qualify for a Special Enrollment Period. In general, you qualify for a Special Enrollment Period if you've had certain qualifying life events, such as getting married, having a baby, adopting a child, or losing eligibility for other health coverage. Depending on your Special Enrollment Period type, you may have 60 days before or 60 days following the qualifying life event to enroll in a Marketplace plan.

There is also a Marketplace Special Enrollment Period for individuals and their families who lose eligibility for Medicaid or Children's Health Insurance Program (CHIP) coverage on or after March 31, 2023, through July 31, 2024. Since the onset of the nationwide COVID-19 public health emergency, state Medicaid and CHIP agencies generally have not terminated the enrollment of any Medicaid or CHIP beneficiary who was enrolled on or after March 18, 2020, through March 31, 2023. As state Medicaid and CHIP agencies resume regular eligibility and enrollment practices, many individuals may no longer be eligible for Medicaid or CHIP coverage starting as early as March 31, 2023. The U.S. Department of Health and Human Services is **offering a temporary Marketplace Special Enrollment period to allow these individuals to enroll in Marketplace coverage.**

Marketplace-eligible individuals who live in states served by HealthCare.gov and either- submit a new application or update an existing application on HealthCare.gov between March 31, 2023 and July 31, 2024, and attest to a termination date of Medicaid or CHIP coverage within the same time period, are eligible for a 60-day Special Enrollment Period. **That means that if you lose Medicaid or CHIP coverage between March 31, 2023, and July 31, 2024, you may be able to enroll in Marketplace coverage within 60 days of when you lost Medicaid or CHIP coverage.** In addition, if you or your family members are enrolled in Medicaid or CHIP coverage, it is important to make sure that your contact information is up to date to make sure you get any information about changes to your eligibility. To learn more, visit HealthCare.gov or call the Marketplace Call Center at 1-800-318-2596. TTY users can call 1-855-889-4325.

What about Alternatives to Marketplace Health Insurance Coverage?

If you or your family are eligible for coverage in an employment-based health plan (such as an employer-sponsored health plan), you or your family may also be eligible for a Special Enrollment Period to enroll in that health plan in certain circumstances, including if you or your dependents were enrolled in Medicaid or CHIP coverage and lost that coverage. Generally, you have 60 days after the loss of Medicaid or CHIP coverage to enroll in an employment-based health plan, but if you and your family lost eligibility for Medicaid or CHIP coverage between March 31, 2023 and July 10, 2023, you can request this special enrollment in the employment-based health plan through September 8, 2023. Confirm the deadline with your employer or your employment-based health plan.

Alternatively, you can enroll in Medicaid or CHIP coverage at any time by filling out an application through the Marketplace or applying directly through your state Medicaid agency. Visit <https://www.healthcare.gov/medicaid-chip/getting-medicaid-chip/> for more details.

How Can I Get More Information?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](https://www.healthcare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

City of Madison

Workers' Compensation Information

Policy

It is the City's policy to insure the timely payment of all Workers' Compensation benefits provided for by state statute, City ordinances and union contract provisions; to promote appropriate medical care; and to safely return injured employees to the workplace as soon as possible.

Responsibilities

It is the employee's responsibility to **promptly complete an [Employee Injury Report](#)** if you've been involved in an accident at work or if your medical provider feels that you're suffering from a work-related illness. This accident report should be given to your supervisor. Your supervisor will comment on your accident and forward the report to WI Municipal Mutual Insurance (WMMIC), the City's Workers' Compensation Administrator.

If you receive medical care, it is the employee's responsibility to **keep your supervisor informed** of your medical status (as it relates to your ability to return to work). Each time you see a medical provider, you must have them **complete a [Medical Status Report](#)** and return it to your supervisor immediately. The information provided in this form will help your supervisor to determine the type of work you may safely perform while in the healing process, and when they may anticipate your return to full duty.

Further, it is the employee's responsibility to **provide medical documentation** for any related time loss so that it may be charged to your workers' compensation claim. Your supervisor, Payroll Clerk or the Finance Department should be able to provide any required forms.

Return to Work

The City actively promotes the return of injured employees to the workplace. Your medical provider should know that the City is generally able to temporarily modify your assignment, or assign you other work consistent with your medical restrictions.

Benefits

If your injury is determined to be work-related, all directly related medical expenses become the City's responsibility and all bills should be forwarded to WMMIC for payment.

If it is determined that you cannot work, you will continue to be paid consistent with the state statutes and governing union contracts provisions (with generally no waiting period for permanent employees).

Depending on the nature of your injury you may also be eligible for other types of payments and reimbursements. A WMMIC claims representative at (608) 852-8645 will be able to advise you on your benefits and respond to any questions you may have.

APM No. 2-33
February 18, 2021

Original APM dated 11/12/2004
(Revised 10/12/2005, 10/06/2014)

The City is in the process of updating APM 2-33, City of Madison Work Rules.

As part of this updated APM, as a returning seasonal employee, I understand that I must report any arrests or convictions that happen after the beginning of my employment to the HR Services Manager at 608-266-4516. This includes any arrests or convictions that occurred during the period of time that I was not employed by the City (in between seasons), and includes any change to my driver's license status (if my position requires me to hold a driver's license). This reporting must occur before I start working again. I also understand I do not have to report traffic offenses like speeding or failure to fasten a seatbelt but I do have to report an OWI.

I understand that the City will not discriminate against me because I may have been arrested or convicted of a crime. I acknowledge the City will review my arrest or conviction to see if it relates to my current job duties and will follow up with me as appropriate.

I understand that if I do not report an arrest or a conviction, and the City later finds out, I will be subject to discipline, up to and including termination of employment, for failing to report.

SUBJECT: PROHIBITED HARASSMENT AND/OR DISCRIMINATION POLICY**Purpose**

The City of Madison's vision is Inclusive, Innovative, and Thriving. The City of Madison is committed to equity, diversity, inclusion, and equal employment for all. Our policy is to be welcoming, safe, and fair to all employees and members of the community. The goal of our policy is for the work environment to be free of harassment, discrimination, and retaliation. To that end, this policy will be liberally construed and strictly enforced.

Covered Behaviors

We expect all employees to treat their colleagues and members of the public in a welcoming, fair, respectful, and equitable manner. The following behaviors are prohibited under this policy: discrimination, harassment, retaliation, hazing, quid pro quo or other types of sexual harassment, micro-aggressions (subtle acts of exclusion), and creating a hostile work environment due to protected class. See the APM 3-5 Resource Guide for definitions of these behaviors as well as a full list of protected classes.

Scope

This policy applies to the delivery of city services and the official interactions between city employees as well as community members. This policy applies to all employees delivering city services: permanent, seasonal, temporary, contracted, lead-workers, supervisors, managers, and Department/Division Heads. It also applies to our clients, independent contractors, visitors, and vendors who have interactions with the City and our customers. This policy applies to conduct that occurs at the workplace and at any location or on any platform that can be reasonably regarded as an extension of the workplace, including but not limited to the use of a telephone, voicemail, text messages, and any social media or online platforms.

Consequences for Violating APM 3-5

City employees: engaging in any types of prohibited conduct (bullying, discrimination, harassment, intimidation, micro-aggressions, retaliation, etc.) could result in disciplinary action being taken against the offender, up to and including discharge from City employment. Violations of this policy are also considered violations of APM 2-33 Rules of Conduct and will result in progressive discipline when appropriate.

Corrective Action Panel: When allegations under this policy are Sustained, the Department Head (or the Mayor if the Respondent is a Department/Division Head) will receive a debriefing from the investigators. Within 10 business days after this debriefing, the Department Head or Mayor will schedule a meeting with the Corrective Action Panel (ensuring the investigators are not a part of this panel) made up of the Directors or designees from the Office of the City Attorney, Human Resources, Department of Civil Rights along with the Department's assigned Deputy Mayor. The Corrective Action Panel will make recommendations about the corrective action based on the policy violation. The ultimate decision on discipline rests with the Department/Division Head or the Mayor. If the recommendation of the panel is unanimous, or if a majority of the panel has the same recommendation, and the Department Head or the Mayor issues less severe corrective action than what the panel recommended, they must document in writing the discipline they issued, why it differs from the panel's recommendation, and send it to the director of Human Resources and the Department of Civil Rights, as well as their designee that was a member of the panel. Within 5 business days after meeting with the Corrective Action Panel, the Department Head or Mayor must issue the corrective action to the employee that violated the policy and submit the final corrective action plan to the Department of Civil Rights Director and the Director of Human Resources.

Non-City Employees: If it is found that a client, independent contractor, visitor and/or vendor has engaged in behaviors that violate this policy, actions must be taken to protect the City of Madison employee. If a mandatory reporter witnesses or becomes aware of violations of this policy by a non-city employee and do not report the incident or take measures to protect the employee, they may be in violation of this policy.

Consequences for a non-city employee found to violate this policy will vary depending on the job type of the employee and severity of the incident. Some examples of consequences could include: requiring a client to receive service from a different staff member or location, ending a contract with an independent contractor or vendor, or prohibiting a visitor from returning for a period of time or indefinitely. All decisions regarding consequences for non-city employees should follow written internal policies developed by a department. These policies must be approved by the Department of Civil Rights and Office of the City Attorney. If a department does not have such written procedures approved, the department must consult with the Department of Civil Rights and the Office of the City Attorney before making a decision on a case by case basis.

Filing a Complaint

Reporting a Complaint: All City employees are strongly encouraged to report any violations of this policy. Complaints shall be filed within three hundred (300) days of the alleged violation. If there are repeated incidents that demonstrate a pattern of behavior, the most recent incident should have occurred in the previous 300 days from date of filing a complaint. The Department of Civil Rights Director and/or Affirmative Action Manager, after approval from the Office of the City Attorney, may waive the 300-day time restriction if they believe it is warranted given the severity of an incident. No employment or disciplinary action will be taken against any employee who makes a good faith complaint even if the investigation fails to substantiate any or all allegations of the complaint. No employee may file a complaint in bad faith. Employees who witness a violation of this policy can also file a complaint. At their option, employees may file their complaints with any of the following:

- a. Any lead-worker, supervisor, or manager *(Not necessarily their own lead-worker, supervisor, or manager.)*
- b. Any Department/Division Head
- c. Human Resources/Labor Relations
- d. The Department of Civil Rights
- e. The Mayor's Office *(especially if the complaint is against a Department/Division Head, an Alderperson, DCR staff, or a Mayoral staff person.)*

No person may require an employee to file a complaint with them. No person may prohibit an employee from filing their complaint with any other person or department. No employee shall be discouraged from filing a complaint under this policy. Prohibiting or discouraging an employee from filing a complaint under this policy is itself a prohibited behavior subjecting the individual to investigation and possible discipline under this policy.

Complaint Form: The Department of Civil Rights shall create and distribute a complaint form to facilitate the recording of complaints and to promote the uniformity of information gathered in response to such reports. The form shall also capture the resolution to the matter which the complaining employee requests. However, no one can be forced to use the complaint form. Complaints may be made verbally, electronically, or in writing. The recipient of a verbal complaint shall document the allegations in writing.

Anonymous Complaints: Anonymous complaints may be filed at any time, and the Department of Civil Rights will implement a procedure for making such claims to be codified in the APM 3-5 Resource Guide.

Safety Assessment

If, at any time during the complaint analysis or investigation, investigators feel the emotional or

physical safety of any employee is at risk, the Department of Civil Rights will work with the Department Head, Employee Assistance Program, and Human Resources to assess the need to move the alleged offender or to take other measures to provide for a safe and secure workplace environment. The Complainant should not be reassigned if at all possible. If there are severe enough safety concerns, complainants may be kept anonymous at the discretion of the Department of Civil Rights.

Investigation Procedures

All employees are required to cooperate fully with any investigation into alleged violations of this APM. Investigations under this policy are confidential. Any employee discussing any part of the investigation with another City employee except, where appropriate, their personal attorney, Union, or Association representatives, may be in violation of City policy and subject to discipline, up to and including termination of employment. Legal, Union and Association representatives are strictly prohibited from sharing information from a confidential investigation with anyone else.

Written acknowledgement of receipt of a complaint must be forwarded to both the appropriate Department/Division Head (or to the Mayor if the Respondent is a Department/Division Head) and the Department of Civil Rights within 24 hours if received during business hours on a work day and by the following work day if received after business hours on Friday or on the weekend. Failure to follow this timeline may be a violation of this policy.

If the complaint alleges a violation of both this policy and other City policies/procedures, the relevant agencies will work together to investigate and resolve the matter. If the Department of Civil Rights determines the complaint alleges a violation of other City policies/procedures, the Department of Civil Rights will refer the complaint to the appropriate agency for investigation.

Investigations must follow the investigation procedures set out in the APM 3-5 Resource Guide.

Investigators: After receipt of the complaint, the Department of Civil Rights will have fifteen (15) days to assign investigators. After consultation with the appropriate Department/Division Head, the Department of Civil Rights will appoint the investigators who will conduct an immediate investigation into alleged violations of this policy. If none of the appointed individuals are a member of the Respondent's Department/Division, the Department/Division Head will appoint someone from the department/division to assist the investigators with department specific information including Department organization, policies, procedures, etc. relevant to the investigation. In the case of complaints involving sworn law enforcement and firefighters, the Department of Civil Rights will assist the lead investigators from those agencies. Investigations of complaints filed under this policy must be given the highest priority. Such investigations should be promptly initiated and swiftly completed.

Complaints Regarding the Conduct of Elected Officials Involving City Employees: The City has a legal obligation to investigate complaints against elected officials. Accordingly, elected officials of the City of Madison are covered as Respondents under this policy. However, any discipline for sustained violations of this policy against an elected official are conducted pursuant to the statutory authority set forth in the Wisconsin Statutes recognizing the most effective remedy for such violations are those belonging to the electorate - i.e. the power of the ballot box. Any person receiving a report or a complaint alleging a violation of this policy by an elected official shall forward such information to the Department of Civil Rights Director and the Human Resources Director who shall then jointly conduct a prompt, thorough and fair investigation into such allegations as set forth in the Resource Guide. The Department of Civil Rights Director, the Human Resources Director in consultation with the Office of the City Attorney shall, upon completion of their investigation, issue a public report in compliance with sec. 19.356, Wis. Stats., redacting such information as required under Wisconsin's Public Records Law.

Confidentiality Protected: A high degree of confidentiality is necessary to foster effective

resolutions to complaints filed under this policy. Wherever possible, complaints are to be maintained and processed in a manner that can protect confidentiality of all parties within the boundaries of federal, state and local laws. These prohibitions shall not apply to communications between a City employee and their chosen representative/personal attorney.

Roles and Responsibilities

Department/Division Heads: Department/Division Heads must take affirmative steps to ensure equal employment opportunities and a welcome, fair, and equitable culture for all City employees. While such affirmative management will take many forms, the following steps are required under this policy:

1. Circulate this memorandum to all employees, at least once a year and review this policy with all lead-workers, supervisors and managers at least once each year.

Lead workers, Supervisors and Managers (including Department/Division Heads) are mandatory reporters under this policy. Any mandatory reporter who fails to take appropriate action upon observing an act prohibited by this policy, or who fails to take appropriate action upon receiving knowledge of a possible violation of this policy is subject to investigation for violating this policy and is subject to discipline up to, and including, termination. Lead-workers, supervisors, and managers are required to:

1. Fully cooperate with the Department of Civil Rights Investigations.

In addition to the behaviors described in this policy, mandatory reporting also includes acts such as hate crimes, sexual contact, stalking, and battery. When an employee reports an act(s) that could constitute criminal activity, mandatory reporters should contact the Office of the City Attorney who will handle any reporting to law enforcement after consultation with Human Resources and the Department of Civil Rights. If the complaint concerns the Department/Division Head, the lead-worker, supervisor, or manager should refer the complaint to the Mayor's Office or the Department of Civil Rights.
5. Offer the Employee Assistance Program when appropriate.

Policy Statement: The City of Madison is committed to a safe work environment and to the safety and security of its employees. City managers and supervisors will work to the extent reasonably possible to ensure that employees are free from intimidating, threatening, or violent behavior . The City will not tolerate any on or off-duty intimidating, threatening or violent behavior directed towards any City site or any City employee by: any employee; any customer participating in a City service or program; any vendor while engaged in City business; or any person who has a personal relationship with a City employee if the intimidating, threatening or violent behavior of that person interferes, in any way, with the business interests of the City.

Scope of Policy: City of Madison employees found to have engaged in intimidating, threatening or violent behavior while on duty will be subject to discipline, up to and including discharge for the first offense. Vendors or participants in City programs found to have engaged in intimidating, threatening or violent behavior may have their contracts canceled or eligibility for funding or loans revoked or called or be barred from further participation in City services or programs. City of Madison employees engaging in intimidating, threatening or violent behavior while off duty will be subject to discipline, up to and including discharge for the first offense, if the intimidating, threatening or violent behavior while off duty creates a connection to the workplace and/or which includes a connection to employees working at the workplace.

Reporting: It is the responsibility of City employees to report incidents of intimidating, threatening or violent behavior to their supervisors, their department or division head, the Human Resources Director, the City EAP staff or the City Attorney. It is the responsibility of City managers to investigate any such reports thoroughly and to take appropriate action according to this policy. There will be no retaliation against an employee who makes a good faith report of such behavior.

Violence and Threats Defined: “Intimidating or threatening,” whether on or off duty is:

- Behavior as words or actions that cause a person to avoid social contact or to do or refrain from doing an act, including supervisory discipline, by inducing fear.
- Behavior as words or actions that directly, or indirectly, show an apparent intent to cause physical or emotional harm to another person.
- Behavior as words or actions that a reasonable person would believe creates a danger to a person’s safety or property or to the property of the City.

Workplace Violence Prevention and Response Plan:

1. Prevention

- a. Develop and conduct employee and supervisor trainings. Training topics may include:
- Definition of workplace violence
 - Explanation of the City’s policy on workplace violence
 - “Warning signs” of potential workplace violence
 - “Levels of threat” and the appropriate response
 - Management liability regarding workplace violence
 - Process steps for responding when an incident actually occurs

The Human Resources Department will include a review of the workplace violence policy as part of new employee orientation.

The Human Resources Department will also identify further workplace violence training needs based on input from City departments and the Workplace Violence Threat Assessment Team.

- b. Pre-employment screening and background checks with regards to workplace violence:
- i. Interviews: Hiring authorities, with assistance from the Human Resources Department, may include interview questions which measure how candidates might respond to conflict situations. Refer to “A Manager’s Guide to Interviews and Background Checks” provided by Human Resources for additional information.
 - ii. Background Checks: After interviews are conducted, background checks may be run on selected candidates, depending on the nature of the position being filled. The Human Resources Department will review convictions to determine those that are substantially related to the circumstances of a particular job and will screen in accordance with federal, state and local law. This is done by checking official court records and other available sources.

c. Role of EAP

The Employee Assistance Program (EAP), including its Critical Incident Stress Management Program (CISM), will operate in compliance with APM’s 2-12 and 2-15 respectively. When information about intimidating, threatening or violent behavior, as defined in this Workplace Violence Policy, is known to the EAP, the EAP will take action in an attempt to prevent harm. This may include the release of information necessary to prevent harm including obtaining a violence assessment or notifying a potential victim. The EAP may also assist employees and families with recovery, should violence occur.

The EAP’s role includes the following: policy and procedure development; participation in prevention focused training; participation on the Threat Assessment Team when designated by the Human Resources Director; critical incident stress management services (e.g., on scene, pre-incident education, defusings, debriefings); consultation or problem solving, information, referrals, and support to any employee, family member, and/or management who has sought the EAP’s services.

d. Enforcement of Workplace Rules

The possibilities of workplace violence problems are increased where there are inadequate and/or inconsistently enforced work rules. The City’s Rules of Conduct are in Administrative Procedure Memorandum (APM) 2-33. The City’s rules regarding weapons in the workplace are in APM 2-46. All City employees are expected to adhere to the Rules of Conduct outlined in APM 2-33 and the Prohibition of Weapons outlined in APM 2-46.

e. Security

Any City agency can request a security assessment. The security assessment is conducted by a member of the Madison Police Department’s crime prevention staff. It may include:

- A threat assessment specific to that office or agency.
- A review of existing basic security measures, procedures and policies make.
- Recommendations for physical changes or policy and procedure changes.

Where a security assessment determines weaknesses, agencies will develop plans for physical improvements or procedures.

2. Crisis Management

a. Threat Assessment Team

- i. Purpose: A Threat Assessment Team is an ad hoc team that is convened to assess a potential workplace violence threat and to develop a management response plan.
- ii. When Activated: A Threat Assessment Team may be activated by the Human Resources Director or his/her designee at the request of a department or division head or his/her designee in response to the manager's concerns about a potential workplace violence threat.
- iii. Composition: The composition of the Threat Assessment Team will depend on the nature and origin of the reported threat. This team would typically include one or more representatives of the agency affected, the Human Resources Director, the Police Department, the EAP, and the City Attorney. A clinical psychologist or psychiatrist may meet with the team or be consulted by one or more members of the team.

3. Post Incident

First priority would be to contact police or emergency medical services, as needed, for resources and assistance. This contact can be made by anyone who feels it is necessary given the nature of the incident. Once a workplace violence incident occurs, agency managers have a number of responsibilities. Depending on the complexity and/or severity of the incident, the agency manager may wish to consult with the Human Resources Director for the purpose of obtaining assistance with one or more of the following responsibilities.

a. Incident Management

- i. Emergency Management: A post-incident medical examination may be needed even if emergency medical personnel are not called.
- ii. Investigation: Management is responsible for conducting an internal investigation as soon as possible including: interviewing witnesses, collecting evidence, etc. When applicable, this investigation shall be collaborative with law enforcement and may occur after the law enforcement investigation is completed.

b. Critical Incident Response - Where necessary, management may determine the need for critical incident response in accordance with APM 2-15.

c. Disciplinary Action - Where necessary, agency management will implement appropriate disciplinary action up to and including discharge.

d. Post-Incident Review - Following the incident and post incident response, the agency manager will meet with the Human Resources Director and other appropriate City officials (i.e., Workplace Violence Threat Assessment Team) to review the incident and identify what might have been done to prevent it and/or how incident handling could have been improved.

MADISON ETHICS CODE SIMPLIFIED

The goal of the **Simplified Code** is to describe the City of Madison Ethics Code in everyday language. It is not intended to be a substitute for the Code. **Anyone who is uncertain whether a particular action (or inaction) may be a violation of the Code, or who believes that a violation of the Code has occurred, should obtain a copy of the Code and/or seek the advice of the City Attorney's Office or the City of Madison Ethics Board.**

WHAT IS THE MADISON ETHICS CODE?

The Code spells out ethical standards of conduct intended to foster public trust and promote confidence in the integrity of government by avoiding the appearance of self-interest, personal gain, or benefit. The Code also requires written disclosures by most City elected officials, employees and appointees regarding their private financial or personal interests in matters that may affect the City. Page 3 of the Simplified Code discusses this obligation in greater detail. The Ethics Code is found in Section 3.35 of the Madison General Ordinances (MGO).

WHY HAVE A CODE?

The Madison Ethics Code establishes guidelines to insure that City elected officials, employees, and appointees (a) act impartially, responsibly and independently, (b) make decisions and policies through proper channels of City governmental structure, and (c) serve the public interest rather than some private interest.

The major areas of responsibility and accountability spelled out in the Code include:

- Disclosure of conflicts of interest and possible disqualification from subsequent action
- Use of office for private gain
- Disclosures of confidential or privileged information
- Receipt of gifts and favors
- Incompatible employment
- Restrictions after leaving office or appointment.

By enacting a Code of Ethics, the City recognizes that certain responsibilities accompany public office or public position. These responsibilities address the need for City officials, employees, and appointees to discharge their duties in the public interest, uphold the U.S. and State Constitutions, and carry out the laws of the nation, state, and municipality with impartiality and fairness and without regard to their private interests.

TO WHOM DOES THE CODE APPLY?

The Code applies to all elected City officials, employees and appointed members of City boards, committee and commissions (including sub-committees and ad hoc committees). The Code often uses the word “**incumbent**” to mean individuals in any of these categories. The Code may also refer to an incumbent’s “**immediate family**.” For these and other definitions, please consult Section 3.35(2) MGO.

In certain circumstances citizens who interact with City employees and officials may also be subject to the Ethic Code’s standards of conduct. For instance, the Code prohibits the offering of gifts, or special favors as a reward or in exchange for some official action. The Code also prohibits an incumbent from accepting such gifts or rewards. This is an example how the Code offers guidance to both officials and citizens alike.

WHAT OBLIGATIONS DOES THE CODE IMPOSE?

I. Financial Disclosure on Statements of Interest

The Code requires *incumbents* to file annually a Statement of Interests describing their private financial or personal interests in matters that may affect the conduct of City business. Disclosure of these interests is required to assure the public of the impartiality of those who make decisions on the public’s behalf.

Who must file? The filing requirement extends to all elected officials and members of boards, committees, commissions, unless they can demonstrate to the Ethics Board that they are **not** involved in the (a) regulation of economic activity, (b) expenditure or granting of public funds, or (c) entry into City contracts.

Disclosure forms must also be completed by City employees who work on behalf of the City (a) negotiating; the sale or acquisition of property or real estate, (b) overseeing economic development projects, (c) assessing or appraising property for tax purposes, or (d) enforcing City ordinances or state laws. Since Madison police officers are covered by their own departmental policies and disclosure requirements and need to have their identity protected from public disclosure, police officers are exempt from filing a Statement of Interest.

Candidates for elective public office must also file a Statement of Interest with the City Clerk at the same time as nomination papers are filed. Failure to file a Statement of Interest may result in the City Clerk removing the candidate’s name from the ballot.

Failure to file: Failure of a City employee to file a Statement of Interest in a timely manner may result in the withholding of salary and other compensation. Failure to file may also prevent an appointee from being confirmed by the Common Council.

Amendments and changes: If a filer becomes aware of *errors* or *omissions* in the original Statement, he/she *must* file an amended version as quickly as possible.

Moreover, elected officials, City employees who head departments or divisions, and mayoral assistants *must also* report any changes on their Statement as soon as possible. Statement of Interest forms and instructions are available from the City Clerk.

II. Standards of Conduct

The following overview of the Code's standards of conduct is not intended to be definitive. The Code should be consulted for a complete description of its obligations and prohibitions.

Use of office or position: The Code states that no *incumbent* may use his/her position or office to obtain financial gain or anything of value or any advantage, privilege, or treatment for the private benefit of the *incumbent*, his/her immediate family, or an organization with which the *incumbent* is associated. Nor may an *incumbent* take any official action in a matter, which may affect a family member or association in which he/she may have a personal or financial interest.

Disclosure and disqualification: The Code states that any *incumbent* who has a financial or personal interest in a matter coming before the Common Council or any board, committee or commission must **disclose** the nature and extent of such interest and if necessary, **disqualify** himself/herself from discussing and, voting on the matter.

Influence and reward: The Code states that no *incumbent* may solicit or accept (directly or indirectly) anything of value that could reasonably be expected to influence a vote, official action, or judgment or be considered a reward for any official action or inaction.

Privileges and advantages: The Code prohibits the use of City-owned vehicles, equipment, materials, or property for personal convenience or profit except as authorized by the Common Council or when such things are available to the public generally.

Outside employment: The Code prohibits *incumbents* from accepting outside employment and/or service (paid or unpaid) that would impair (or reasonably appear to impair) independence of judgment or action in the performance of official duties.

Disclosure of information: The Code prohibits the intentional use or disclosure of privileged information that could result in anything of value for the *incumbent*, his/her immediate family, or for any other person or entity, unless the information has already been communicated to the general public or is a public record.

Cooling off period for *incumbents*: The Code places certain restrictions on the activities of *former incumbents* for **twelve months** after leaving office, employment, or appointment. For instance, restrictions limit *former incumbents* from appearing before and/or negotiating with his/her former entity, office, board, committee or commission for a **one year** period. Such restrictions apply whether or not the former *incumbent* is paid for his/her services.

Receipt of anything of value: The Code prohibits *incumbents* from receiving or keeping any transportation, meals, beverage, entertainment, fees, honoraria, or anything of value except in accordance with the standards of conduct contained in the Code. The Code is very explicit about what may and may not be accepted by *incumbents* in the performance of their duties and in outside activities. *Incumbents* who may be affected by such regulations should review the Code.

Nepotism and equal treatment: Favoritism and special treatment in hiring and promotion based on family and special relationships shall not be allowed.

Contract or leases: The Code places limitations on City contracts or leases (involving more than \$3000 per year) with any *incumbent*, his/her immediate family, or any organization in which the *incumbent* owns or controls at least 2% of the outstanding equity. Before accepting such a contract or lease, the *incumbent* must disclose in writing to the City Clerk the nature and extent of his/her interest in said contract or lease. In turn, the City Clerk will advise the Common Council about the disclosure at the time a vote on the contract or lease is considered.

III. Appointment of City Employees to a non-City Board or Committee

When a City employee is appointed **by the mayor** to a non-City board or committee, that employee is obligated to represent the interests of the City and act with independence of judgment. Careful consideration should be given prior to the appointment to assure that such individuals do not have a conflict of interest which would be incompatible with the proper discharge of their City duties and have the necessary independence of judgment in representing the City's interest.

IV. Political Activities

The Madison Ethics Code prohibits any City employee, during work hours or while on official business, from

- wearing or displaying campaign material,
- distributing campaign literature,
- soliciting or receiving political contributions, or
- actively campaigning for any candidate or referendum.

WHAT IS THE ETHICS BOARD?

The City of Madison appoints an Ethics Board to answer questions, render opinions, and hear complaints on matters concerning the Code. The Board has seven members: four citizen members, one representative of the Mayor, the Common Council President (or designated alderperson), and one representative of organized labor. All members of the Board are appointed by the Mayor with confirmation by the Common Council.

The Board elects its own chair and vice-chair and develops written rules of procedures which are approved by the Mayor and the Common Council. The Human Resources Director provides staff support to the Board, and the City Attorney furnishes the Board with legal assistance.

HOW DOES THE BOARD BECOME INVOLVED IN A MATTER?

Advisory Opinions: When an *incumbent* or candidate for City elected office is uncertain about the Code's application, he/she may ask the Ethics Board for an advisory opinion and be guided by that opinion when given. The individual will have an opportunity to present the facts at issue and state why the Code may or may not apply to a particular situation at hand. When the individual follows the Board's advice, it is considered evidence of his/her intent to comply with the Code. If the applicant desires the request for advice and the Board's opinion to remain confidential, the Board will meet in closed session, and only an anonymous summary of its opinion is made public.

Complaints: Any resident of the City may complain in writing to the Ethics Board about the activity or conduct of any person covered by the Code; however, that complaint must be filed within 12 months of the time the violation is alleged to have occurred. The person making the complaint must be present at the time the complaint is brought before the Ethics Board. The Board may issue subpoenas and administer oaths during the course of the proceeding. The procedure that the Board follows is based on rules and procedures that have been established by the Board and approved by the Common Council.

Copies of the Madison Ethics Code may be obtained from the Office of the City Attorney in Madison, Wisconsin.

The Procedures Manual may be obtained from the Office of the City Attorney in Madison, Wisconsin.

Bloodborne Pathogen Awareness

Bloodborne Pathogens (BBPs) are microorganisms found in infected human blood and bodily fluids that can cause diseases in humans. The most common diseases are Hepatitis B and C, as well as HIV. Bloodborne pathogens get into your body through the eyes, nose, mouth, open cuts in the skin, and other mucous membranes. The contact must be direct. Employees cannot get a BBP disease if an infected person just touches them. However, in order to be safe at work, employees should presume all human blood or other potentially infectious materials (OPIM) (spine, joint, brain, heart, or any body fluid that is visibly contaminated with blood) can infect you and take appropriate precautions. You can keep yourself safe, and prevent exposure by using Personal Protective Equipment (PPE), engineering controls and good work practice controls. Engineering controls are the priority of the three controls.

Engineering controls are devices that isolate or remove the bloodborne pathogens hazard from the workplace. They include sharps disposal containers, self-sheathing needles, and safer medical devices, such as sharps with engineered sharps-injury protection and needleless systems.

Work practice controls are practices that reduce the possibility of exposure by changing the way a task is performed, such as appropriate practices for handling and disposing of contaminated sharps, handling specimens, handling laundry, and cleaning contaminated surfaces and items.

Personal Protective Equipment is the last line of defense, but an important part of handling potential BBP's. Some PPE examples are; wearing gloves whenever exposed to BBP's, wearing eye protection and masks whenever splashes, sprays, spatter or droplets may occur. Washing your hands with soap and water after an exposure.

Eating, drinking, smoking, chewing gum, applying cosmetics or lip balm, and handling contact lenses are banned in areas where BBP exposure is high. These activities increase the chance that a BBP could get into your system so you should avoid these activities at all costs.

The City provides Hepatitis B vaccinations for all workers whose jobs require them to come into contact with BBP's. You can receive the vaccination after you take the City required bloodborne pathogens training.

If you think your eye, mouth, other mucous membrane like your nose, an open cut or sore came into contact with blood or another infectious substance/material, you should notify your supervisor immediately. Some additional steps, like a post-exposure evaluation and follow-up will be required.

Warning labels must be placed on any container that stores or transports blood or OPIM. If you are transporting any of these items, notify your supervisor so they can be disposed of properly without putting anyone at risk.

If you have any questions about how this policy applies to you or any questions about exposure or disposing of blood or OPIM safely, please contact the City of Madison Safety Coordinator at 608-266-9128.
