**NOTICE OF ADDENDUM
ADDENDUM 1
RFP NO. 9515
WATERSHED STUDIES – NINE SPRINGS**

Revise and amend the contract document(s) for the above project as stated in this addendum, otherwise, the original document shall remain in effect.

CHANGES TO CONTRACT:

- 1.1 Appendix A – Standard Terms and Conditions
Recently enacted State of Wisconsin Law (2023 Wisconsin Act 211) mandates that the City of Madison update indemnification clauses within its Standard Terms and Conditions (STC) for engineering contracts. Prior to contract execution with the chosen consultant, the City will amend the existing STC. While specific language revisions are pending, the selected consultant must adhere to the updated STC once finalized.

Please acknowledge receipt of this addendum has part of the cover letter portion of your submission. While this not a requirement, providing that acknowledgment is helpful to City staff.
