Stormwater Management
Permit Number: _____
Project Name: _____
Site Address: _____
Certifying Engineer: _____
Certification Date: _____

STORMWATER MANAGEMENT BEST MANAGEMENT PRACTICES (BMP) INSTALLED:

BMP	Comments

(attach additional sheets as needed)

ATTACH AS-BUILT STORMWATER MANAGEMENT/UTILITY PLANS

This document and included as-built drawings certifies that the stormwater management BMP's for the above project have been installed per the approved stormwater management permit and plan. Emailed documents needs to be stamped using an electronic PE stamp and signed using Adobe sign. A scan of a stamp is not acceptable. In accordance with Chapter A-E 2.02(7)(b)2 of the Wisconsin Administrative Code, the electronic stamp is permitted only if there are both an electronic signature and "a security procedure is used". It is not enough if just a security procedure is used to lock down the document—the signature itself must be electronic. A hard copy of the original wet stamp and signature is an acceptable alternative, but electronic records are preferred.
