Also enclosed is a notification for the Public Hearing before the Board of Public Works. The date, time and location of the public hearing is on the notification.

The property owners will be assessed for various items included with this proposed project, and the costs of some of those items are assessed entirely to the owner. Tables detailing the City's standard assessment policy for the items of work is included on the fact sheet.

Below is a preliminary Schedule of Assessments, which shows the estimated costs for your property adjacent to the project. The Schedule of Assessments for all properties adjacent to the project is available on the project webpage at: <https://www.cityofmadison.com/engineering/projects/starker-avenue-resurfacing-with-utilities>, a hard copy can be mailed to you upon request. The frontages and lot areas of each property to be assessed are listed on the full schedule. After work is complete, a final assessment cost will be calculated based work actually performed. The final assessment cost, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with 5% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact Rachel Dudley, Project Engineer, (608) 261-9177, rdudley@cityofmadison.com. This includes requests relating to the Public Hearing and operations of construction.
