

Monroe Street Reconstruction Wingra Park Entrance Workshop

Thursday, April 27, 2017

5:30-7:30 PM

Temple Beth El, 2702 Arbor Drive

Workshop Objective: Gather community input to inform future placemaking and design enhancements at the Wingra Park entrance and west corner of Commonwealth at Monroe.

5:30 – 5:50 p.m. Welcome and Orientation

5:50 – 6:30 p.m. On-Site Discussion at Wingra Park Entrance
View the spaces included in the project scope at the Wingra Park entrance and west corner of Commonwealth. Learn about reconstruction plans and design opportunities, including the re-alignment of the Commonwealth intersection. Discuss ideas on-site with City staff.

6:30 – 7:25 p.m. Design Discussion
Identify and discuss preferred improvements and design themes, including priority amenities and visual preferences to support placemaking and traffic calming.

7:25 – 7:30 p.m. Wrap-Up
