TO: Property owners and Residents along W. Wilson St., S. Broom St. and S. Henry St.

RE: Street Reconstruction Project, Start of Construction

The City of Madison is planning to begin construction on the W. Wilson St. and S. Broom St. reconstruction project and the S. Henry St. resurfacing project. This project also includes extending bicycle facilities beyond the reconstruction limits on S. Broom St. and both east and west of the reconstruction work on W. Wilson St. The project is scheduled to begin the week of June 5, 2023 and be completed in November. This project is being coordinated with the private utilities, and Madison Gas & Electric will begin work during the week of May 22.

Enclosed with this letter is a fact sheet with construction details on the project, a map of the limits, and a list of contacts. The contract for this work has been awarded to Speedway Sand and Gravel.

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact me at (608) 266-4099 or jwolfe@cityofmadison.com.

Sincerely,

James M. Wolfe, P.E.
City Engineer
