To: Property and Condo Owners along E Wilson Street and E Doty Street

Re: Proposed Street Reconstruction Project & Public Hearing

The City of Madison is proposing the reconstruction of E Wilson Street and E Doty Street in 2024. Enclosed with this letter is a fact sheet with details on the proposed project along with a notification for the Public Hearing before the Board of Public Works. The date and time of the public hearing can be found on the notification.

This project will involve special assessments to the owners of property adjacent to the project. The property and condominium owners will be assessed for various items included with this proposed project, and the costs of some of those items are assessed entirely to the owner. A table detailing the City's standard assessment policy for the items of work is included on the enclosed fact sheet.

Also enclosed is a preliminary Schedule of Assessments, which shows the estimated costs for your property adjacent to the project. The Schedule of Assessments for all properties adjacent to the project is available on the project webpage at: www.cityofmadison.com/WilsonEastDotyEast. A hard copy can be mailed to you upon request. The frontages of each property to be assessed are listed on the full schedule. After the work is complete, a final assessment will be calculated based on bid prices and work actually performed. The final assessment, which will be billed after the completion of the project, is payable in one lump sum or over a period of 8 years, with 5% interest charged on the unpaid balance.

To request accommodations for special needs or disabilities or if you have any other questions regarding this project, please contact Fadi El Musa Gonzalez, Project Engineer, (608) 243-5214, felmusagonzalez@cityofmadison.com. This includes requests relating to the Public Hearing and also requests relating to the actual operations of construction. A list of contacts for this project can be found on the enclosed fact sheet.

Sincerely,

James M. Wolfe, P.E.
City Engineer
