**Project** **Forensic Server Replacement** **Project #** **10958**

*Project Description*

This project provides funding to purchase a server for storage of digital evidence associated with computer crimes. The goal of the project is to provide sufficient storage space for illicit criminal digital evidence (child pornography) as required by the Adam Walsh Child Protection and Safety Act of 2006, Title V Sec 504, which prohibits any reproduction of child pornography material. The server is required to maintain the evidence separate from other City evidence and files. Progress will be measured by compliance with the Act. This project is planned for 2018.

**Project** **Investigative Software/Hardware Upg.** **Project #** **10409**

*Project Description*

This project funds crime analysis and investigative software along with the associated hardware used to investigate crimes and solve cases through data analysis. Funding in 2018 is planned for the purchase of PenLink (an investigative cell phone analysis database that links information from various incidents) and an additional server to provide sufficient storage space to maintain cell phone data as evidence. Funding in 2020 is planned for updated forensic and crime analysis software.

**Project** **Light Bar Replacement Project** **Project #** **17045**

*Project Description*

This project funds the replacement of existing LED light bars on police cruisers that have exceeded their useful life (10 years). The goals of the project are improved visibility of police vehicles and reduced police vehicle involvement in traffic crashes. Progress will be measured by monitoring the number of police vehicles involved in traffic crashes. The replacement will be phased in over three years, beginning in 2018, with purchases of 25 to 30 light bars per year.

**Project** **Midtown District Station** **Project #** **10390**

*Project Description*

This project funds the construction of a Midtown District police station at 4016/18 Mineral Point Road. The goal of the project is to alleviate capacity issues at the existing stations, provide more equitable service to the City’s residents, and to provide specialized units at the new facility. Progress will be measured by monitoring response times. Construction is scheduled to begin in the third quarter of 2017 and the Station is anticipated to open in the fall of 2018. Annual operating costs are estimated to be \$1.4 million.

**Project** **Police Building Improvements** **Project #** **10945**

*Project Description*

This program provides funding for facility updates at the four Police District Stations, the Training Center, and the Police Department units in the City County Building. The goal of the program is to provide acceptable, functional, inviting and energy efficient work space for employees and the public. Progress will be measured by monitoring the number of unplanned repairs and energy usage at the facilities. Funding in 2018 will be used for: carpet replacement, paint, and miscellaneous equipment at the North District Station; radiators and parking lot improvements at the South District Station; and emergency repairs.

**Project****Property & Evidence Complex****Project #****17044***Project Description*

This project will construct a new facility to house property and evidence seized by the Police Department. The newly constructed facility will replace multiple locations throughout the city. The goal of the project is to consolidate services into a single site that provides office space, property storage, impounded vehicle and abandoned bicycle storage, forensic services, a large vehicle processing area, and safe, convenient customer access. Funding in 2020 is for a study of the existing Town of Madison City Hall as a potential site for the facility. The total estimated cost of the project is \$17.5 million, which assumes demolition of the existing facility and construction of a new facility. Funding for the design and construction of the new location is not included in the 2018 CIP.
