Project**Police Technology and Equipment****Project #****17241***Project Description*

This program, new in the 2019 CIP, funds technology, safety, and other operational equipment utilized by the Police Department. The goal of the program is to have adequate operational equipment to attend to emergency incidents, significant events, and other public safety and investigative concerns. Progress will be measured by enhanced police process through the use of technology, and the amount of equipment breakdowns. Funding in 2019 is planned for the purchase of forensic investigative equipment and photo sharing technology, upgrades to audio visual systems at the Police Training Center, and AVL equipment and technology.
