

Metro Transit

Agency Overview

Agency Mission

The mission of Metro Transit is to provide safe, reliable, convenient, and efficient public transportation to the residents and visitors of the Metro service area.

Agency Overview

The Agency is responsible for the operation, planning, development, and coordination of the public transit system in the Madison metropolitan area.

2019 Budget Highlights

The 2019 Executive Budget includes funding for:

- Increased diesel costs based on locked contract rates for 2019 (\$1.0m).
- Increased communication equipment and software costs attributable to Metro's system upgrade (\$125,000).
- Increased lease costs for the north transfer point (\$90,000).
- The reassignment of a Transportation Planner position (#2687) from Metro Transit to the Transportation Department (\$80,000).
- Reflects the City's cost allocation model that was developed in 2018. The goal of this methodology is to accurately and consistently allocate central service costs to enterprise agencies receiving services. Charges associated with cost allocation are reflected in the inter-departmental charges & billing major expenditure categories shown in the Line Item Detail section of the agency's budget. Reference the Executive Summary for a full explanation of the methodology, the allocation basis, and summary of allocated costs.

In 2018 Metro Transit's paratransit service changed from an in-house service delivery model to a fully contracted transportation service model. The 2019 Executive Budget reflects that service change including:

- Increased agency fare ticket revenue for senior/disabled paratransit rides based current service trends (\$850,000).
- Elimination of 15 vacant full-time Transit Operator positions due to the change in service from in-house paratransit drivers to a contracted-only service delivery model that occurred in 2018 (\$1.0m).
- Decreased paratransit transportation services costs based on ridership trends in 2019 (\$1.4m).
- Total budgeted expenditures for the paratransit service are down \$2.0m from 2017 actual expenditures.
