## Project Overview

Project	<b>Police Data Server Upgrade</b>	Project #	<b>14768</b>
Citywide Element	<b>Health and Safety</b>	Project Type	<b>Project</b>

### Project Description

This project funds the storage and preservation needs for both video and evidence. The goal of the project is to address the increasing volume of electronic records that are generated in the Madison Police Department. These records include the dash cams in squad cars, other video submitted by cameras around the city, and any electronic media that is preserved as evidence from a crime. Funding will be used for additional storage for the Arbitrator Server (completes the existing storage cabinet, and adds another cabinet) and for a recent server upgrade for Arbitrator that encompassed both the server and the storage.
