## Human Resources

Agency Overview

## Agency Mission

The mission of Human Resources is to move Our Madison forward by hiring, developing, and sustaining a diverse and engaged workforce.

## Agency Overview

The Agency supports other City agencies in recruiting, hiring, training, and retaining the City's active workforce. Human Resources' goal is to support agencies in organizational development to ensure quality City services, oversee compliance with Madison's personnel rules, and support agencies in recruitment efforts. Human Resources works to advance this goal by continuing to build programs and cultivate relationships in order to develop city staff as well as make investments to reward and retain personnel.

## 2024 Budget Highlights

Agency-Wide Changes

- Inter-Departmental Billings for Human Resources are determined through an external cost allocation plan. The methodology for allocating ID Billings was updated in 2024. As a result, the Service-level budgets show significant variances compared to the 2023 Adopted Budget. These variances are technical adjustments to ID Billings and do not reflect major changes in the activities performed by Service.

Service: Employee \& Labor Relations

- Recreates one HR Analyst 1 to an HR analyst 4 to address needs related to research, design, development, and implementation of the City's employee Benefits Program. The position upgrade will be cost neutral in 2024, with the cost of the higher classification offset by savings from an anticipated retirement.
- Net budget is $\$ 293,700$ higher than the 2023 adopted budget. This reflects a change in Inter-Departmental Billings and does not reflect a significant change in the service budget.

## Service: HR Services

- Budget maintains current level of service. Net budget is $\$ 479,900$ lower than the 2023 adopted budget. This reflects a change in Inter-Departmental Billings and does not reflect a significant change in the service budget.

Service: Organizational and Health Development

- Reclassifies one Leading and Development Specialist to an HR Analyst 3.
- Reclassifies one Program Assistant to an HR Analyst Trainee.
- These position changes are intended to balance the programmatic work in the section as the department shifts to a learning management platform.
- Net budget is $\$ 201,000$ lower than the 2023 adopted budget. This reflects a change in Inter-Departmental Billings and does not reflect a significant change in the service budget.
