

# Online Services for Members

## Experience. A simpler web.

Delta Dental makes it easy for you to log on, find the information you need, and get on with your day – no matter what device you're working on. Our site is easily accessible from your PC, laptop, tablet (such as iPad or Kindle), or from your mobile phone.

### Access online services in a few easy steps:

- 1 Visit [DeltaDentalWI.com](http://DeltaDentalWI.com)
- 2 Click on "I am a Member"
- 3 Log in with your Username & Password

### New to Delta Dental?

Creating an account is easy. You'll need your Delta Dental member number (located on your ID card) and date of birth to get started. Click "enroll here" to create your account.\*

### Secure services for members:

- View and print ID cards
- Access your dental benefits and utilization information
- Check claims and review claim history
- View EOBs online
- Verify copays and deductibles

### Find an in-network dentist:

There's no need to log in. Click on the "Provider Search" tab from the top menu and select "Find A Network Dentist" from the drop-down box. Then enter your address, ZIP code, or dentist's name to view a list of providers. You can easily narrow your results by network, specialty, language spoken, office hours, accepting new patients, and/or wheelchair accessible.

### Additional online tools:

In addition to our secure member services, [DeltaDentalWI.com](http://DeltaDentalWI.com) provides the latest oral health information, access to an oral health risk assessment, and cost estimation tools.

*Designed with your smile in mind.*

\*You cannot register for online access prior to your effective date of coverage.
