Thursday January 24) should have their vehicles on the EVEN house-numbered side of the street between the hours of 1am and 7am. Violations of the alternate side parking rules are punishable by a fine of \$60 throughout the entire City of Madison. Violators could also be towed.

### **Other Parking Information**

Residents are reminded that all daytime parking restrictions will be enforced. That includes restrictions that ban parking on selected blocks in the downtown area and on the near east and near west sides. Parkers should pay attention to all parking signs.

Parking will be available in the cashiered sections of city-owned ramps in the downtown area. During a declared snow emergency you can park for no charge at the City ramps from 9 p.m. until 7 a.m. If you enter before 9 p.m. or leave after 7 a.m. you are liable for any parking charges before 9 p.m. and from 7 a.m. until the time you leave.

When parking in the ramps overnight, do not park on the top level so this area can be plowed. Be aware that vehicles stored in city ramps longer than 48 hours are subject to being ticketed and towed. Meters in lots and ramps are enforced 24 hours per day, 7 days a week. Parking is also available at the Brittingham Park Shelter parking lot off of W. Washington Ave.

### **More Information**

Additional information about winter plowing and parking can be found on the city of Madison winter website, [www.cityofmadison.com/winter](http://www.cityofmadison.com/winter). Parking information can also be heard by calling the winter parking hotline at 608-261-9111.
